THE RIGID WHEELCHAIR THAT FOLDS

The Küschall Champion is the benchmark for lightweight folding wheelchairs, it sets the standard at the highest level. Experience the look and driving experience of a rigid wheelchair with all the advantages of one that folds.

Yes, you can.®

Champion

When you use the Champion for the first time, you will know you have never been in anything like it. It is the first fixed foldaway wheelchair in the world, and you will feel like a champion.

The unbelievable performance makes for an impressive glide over the streets, the likes of which you have never experienced. With one tug, you can fold it up into a small package as every component of the Champion is optimised for performance.

And many airlines have already recognised this, and accept the Champion as hand luggage!
