[JANCO] Sincerely Inviting **Logistics & Transport Partners**

Flexible Orders · Fleet Support · Stable Business Volume

To support our business expansion, JANCO is now actively scaling up our logistics and transport capacity! We sincerely invite fleet operators, independent truck owners, driver partners, and delivery assistants to join us.

At the same time, we provide robust logistics back-end support for businesses across various industries. Whether you are looking for steady delivery jobs to increase your income, or require extra fleet support to handle operational peak periods, JANCO is your best strategic partner !

Key Highlights of Partnering with Us :

For Drivers & Fleet Operations :

- Low Entry Barrier : Open to all vehicle types and tonnages (including van trucks, medium/heavy-duty trucks, and refrigerated vehicles).
- Flexible Hours : No fixed working hours—enjoy the freedom to accept orders flexibly and manage your own schedule.
- No Specific Experience Required : New drivers are welcome; clear guidelines and professional support are provided.
- Steady Order Volume : Covering local distribution, e-commerce fulfillment, and warehouse transfers, featuring prompt and transparent settlement.

For Industry Peers & Corporate Clients (Business Support)：

- Reliable Operational Backing : If your business or fleet faces order surges, vehicle shortages, or manpower constraints, we act as your joint-venture support partner to step in immediately.
- Flexible Resource Sharing : We help resolve capacity bottlenecks to ensure your clients' orders are delivered on time, creating a win-win partnership.

Core Responsibilities & Services

- Responsible for loading, unloading, tallying, and safe transport of local cargo.
