CLOYES®

The Complete Timing Authority

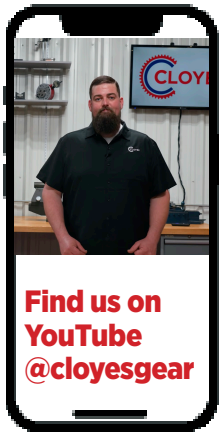

Why Choose Cloyes Timing Kits?

- **Complete Repair Solution:** Every kit includes all necessary components for a full, professional repair, which minimizes installation issues and helps you avoid costly comebacks.
- **OE-Quality Materials:** We use premium sintered metals, steel, castings, forgings and nylon per part type for increased strength and wear resistance in high-heat, high-stress environments.
- **Precision Engineering:** Sprockets are precision-tooled with exact tooth geometry, and chains are pre-stressed and feature precision pitch control to ensure optimal fit, reduce noise, and minimize stretch.
- **Rigorous Testing:** Each component is CAD-designed and tested for fit, function, and durability to ensure consistent quality.
- **Backed by Excellence:** Every kit is supported by a Limited Lifetime Warranty and century-long reputation for unmatched technical support.

Kit Type	What's Included
Base Timing Kit	Tensioner(s), Guide(s), Chain(s), Sprocket(s)
Water Pump Kit	Base Kit + Water Pump
VVT Kit	Base Kit + VVT Phasers & Solenoids
K3 Kit	Base Kit + Water Pump, VVT Phasers & Solenoids
K6 Kit	All above + Serpentine Belt, Tensioners, and Pulleys

Professional Support: Replacing a timing chain system is a labor-intensive, profitable job for your shop. Don't leave it to chance—use Cloyes for superior repair confidence.
