

POSTED THREE DAYS BEFORE WORK REACHES YOUR BUILDING

NOTICE OF PRODUCTION

Northland Heights Apartments · Exterior Siding Restoration · Kansas City, Missouri

To the residents of this building:

All Trades Restoration Services is replacing the exterior siding at Northland Heights. Work moves building by building, and it is about to reach yours. This notice tells you when we start, what you will see and hear, and the few things we ask you to do before we begin.

BUILDING	WORK BEGINS	DAILY HOURS
_____ Building number	___ / ___ / ___ First day on your building	7:00 AM – 5:00 PM Monday through Saturday

WHAT TO EXPECT

- Scaffolding, ladders and a material staging area set up close to your building.
- Noise from removal and fastening during working hours. It is loudest in the first days on a wall.
- Crews working on the outside of your home only. **No one needs to enter your apartment.**
- Debris containers on site, with a magnet sweep of the grounds at the end of every day.
- Your patio, balcony or entry may be partly blocked while the wall behind it is worked on.

WHAT WE ASK OF YOU — BEFORE THE START DATE ABOVE

- ☐ **Take down wall-hung items.** Pictures, mirrors and shelves on exterior walls can shift while we fasten from outside.
- ☐ **Secure anything that can tip.** Lamps, plants, glassware and electronics near an exterior wall.
- ☐ **Clear your patio or balcony.** Furniture, grills, planters and décor — anything you would not want dusty or in our way.
- ☐ **Keep pets indoors and away from exterior doors.** Gates and doors open often while crews carry material.

Your power, water and entry to your home stay on throughout. Nothing about this work interrupts your utilities or your ability to come and go.

QUESTIONS OR CONCERNS

Please contact the onsite apartment office. The office has our full schedule and will reach our crew directly on your behalf — you do not need to flag down a worker.

Thank you for your patience while we improve your community.
