

# Worksheet 1 — Follow the Water

Water Path Tracker | Can you move water from one place to another?

You can draw, circle, check boxes, or use a few words.

## My design challenge

What was I trying to do?

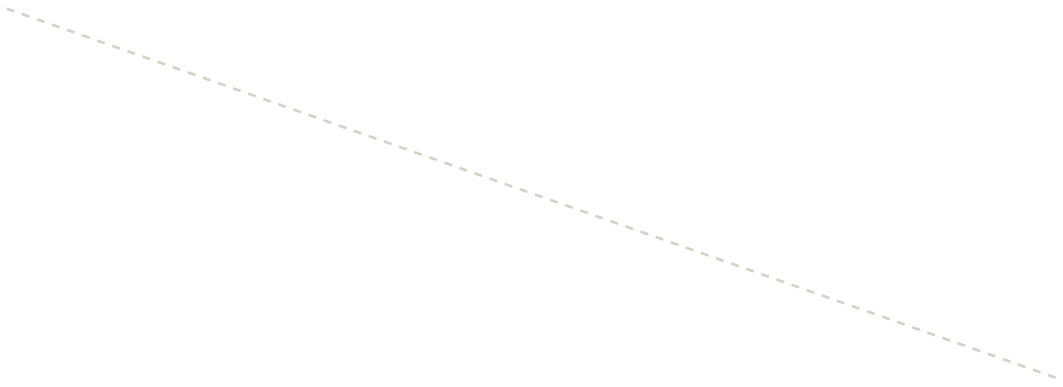

---

## Check what happened

- ☐ Water reached the destination
- ☐ Water spilled    ☐ Water got stuck

## Draw or trace your water path

Start

Destination

## One thing I changed

---

---

## What I noticed

---
