

Worksheet 4 — Slow the Storm

Rainwater Observation Sheet | Where did the rain go before and after redesign?

You can draw, circle, check boxes, or use a few words.

Before redesign

Draw where the water moved or collected.

After redesign

Draw what changed after you improved it.

What did the water do?

- ☐ Moved fast
- ☐ Soaked in
- ☐ Collected in a puddle
- ☐ Went around a building
- ☐ Changed direction

What helped the most?
