Worksheet 2 — Make It Cleaner

Water Filter Detective | What changed after your filter test?

You can draw, circle, check boxes, or use a few words.

What was in my water?

Before filtering

Draw what your water looked like.

After filtering

Draw what your water looked like.

Circle or check one

■ Clearer ■ About the same ■ Cloudier

■ I saw pieces get trapped ■ Water moved through slowly

Which material helped most? What would you try next?

Safety reminder: Do not drink the experiment water.
