SUPCON Technology Co., Ltd.

2026 Semi-Annual Equity Distribution Implementation Announcement

The company's board of directors and all its directors guarantee that the announcement contains no false statements, misleading information, or material omissions, and assume legal responsibility for the authenticity, accuracy, and completeness of its content.

Important Content Notice:

- Does it involve differential dividend distribution and share transfer: Yes
- Per-share allocation ratio

  Cash dividend of 0.1 yuan per share (including tax)
- Relevant dates

Record Date	Ex-dividend (ex-rights) date	Cash dividend payment date
2026/11/11	2026/11/12	2026/11/12

I、 Through the meeting number and date of the shareholders' meeting regarding the allocation plan

This profit distribution plan was approved by the company's Second Extraordinary Shareholders' Meeting held on September 15, 2026.

II、 Allocation plan

1. Payment period: 2026 semi-annual

2. Assignment recipient:

All shareholders of the Company registered with China Securities Depository and Clearing Corporation Limited, Shanghai Branch (hereinafter referred to as "China Securities Depository Shanghai Branch") as of the close of trading on the Shanghai Stock Exchange on the record date.

3. Differentiated dividend and share transfer plan:

(1) The company will distribute profits based on the total share capital registered as of the equity registration date for rights distribution, excluding shares held in the company's dedicated securities account for share repurchase. A cash dividend of 1.0 yuan per 10 shares (including tax) will be paid to all shareholders. No capital reserve will be converted into share capital, and no bonus shares will be issued.

(2) Differentiated Dividend Adjustment Method: In accordance with the relevant provisions of the "Shanghai Stock Exchange Trading Rules," the company will calculate the ex-rights and ex-dividend opening reference price using the following formula: Ex-rights (ex-dividend) reference price = (previous closing price – cash dividend) / (1 + change ratio of outstanding shares). Here, the change ratio of outstanding shares = (total number of shares participating in distribution × capitalization ratio) / total share capital.

(3) Based on the profit distribution plan approved by the company's Second Extraordinary General Meeting of Shareholders in 2026, the calculation process for the ex-rights and ex-dividend adjustment of this differentiated dividend is as follows: According to the profit distribution plan approved by the shareholders' meeting, the company will distribute dividends solely in cash, with no capital reserve converted into share capital. Therefore, the conversion ratio is 0, and the change ratio of circulating shares is also 0. Under the approved profit distribution plan, the actual cash dividend per share distributed by the company is RMB 0.1 (including tax). As of the date of this announcement, the company’s total share capital is 791,189,527 shares. After deducting

the 13,743,431 shares already repurchased and held in the company's dedicated repurchase account that do not participate in profit distribution, the number of shares eligible for profit distribution is 777,446,096. Based on this, the total proposed cash dividend amount is RMB 77,744,609.6 (including tax). The virtual cash dividend per share = (total number of shares participating in distribution × actual cash dividend per share) / total share capital = (777,446,096 × 0.1) / 791,189,527 ≈ RMB 0.0983 per share.

In summary, the ex-rights and ex-dividend reference price is equal to the previous closing price minus 0.0983 yuan per share.

Record Date	Ex-dividend (ex-rights) date	Cash dividend payment date
2026/11/11	2026/11/12	2026/11/12

IV、 Allocation Implementation Measures

1. Implementation Measures

(1) Dividends for unrestricted circulating shares are distributed by China Securities Depository and Clearing Corporation Limited, Shanghai Branch, through its funds settlement system to shareholders registered at the close of trading on the equity registration date and who have completed designated trading with members of the Shanghai Stock Exchange. Investors who have completed designated trading may collect their cash dividends at their designated securities brokerage firm on the dividend payment date. For shareholders who have not yet completed designated trading, their dividends will be temporarily held by China Securities Depository and Clearing Corporation Limited, Shanghai Branch, and distributed once designated trading is completed.

(2) Shares held in the company's dedicated securities account for share repurchase do not participate in profit distribution.

2. Self-issued to individuals

The cash dividends for Chu Jian, Hangzhou Yuancheng Enterprise Management Partnership (Limited Partnership), and Zhejiang State-owned Capital Operation Co., Ltd. will be distributed directly by the company.

3. Tax Deduction Instructions

(1) For individual shareholders and securities investment funds holding unrestricted tradable shares of the Company, in accordance with the relevant provisions of the "Notice on Issues Concerning the Implementation of a Differential Individual Income Tax Policy for Dividends and Bonus from Listed Companies" (Cai Shui [2012] No. 85) and the "Notice on Issues Concerning the Implementation of a Differential Individual Income Tax Policy for Dividends and Bonus from Listed Companies" (Cai Shui [2015] No. 101): individuals (including securities investment funds) who obtain listed company stocks through public issuance or transfer markets shall be temporarily exempt from individual income tax on dividend and bonus income if their holding period (referring to the time from the date of acquisition through public issuance or transfer market until one day before the stock transfer settlement date) exceeds one year; the actual cash dividend distributed per share is RMB 0.10. For those with a holding period of one year or less (including one year), the Company will not withhold individual income tax at this distribution; the actual cash dividend distributed per share remains RMB 0.10. When such individuals (including securities investment funds) subsequently sell the shares, China Securities Depository and Clearing Corporation Limited, Shanghai Branch (ChinaClear Shanghai) will calculate the applicable tax amount based on the holding period, and the securities firm or other custodian institution will deduct the tax from the individual's account and remit it to ChinaClear Shanghai. Within five working days of the following month, ChinaClear Shanghai will transfer the tax proceeds to the Company, which will then declare and pay the tax to the competent tax authority within the statutory filing period of the month in which the tax payment is received. The specific effective tax burden is as follows: for holdings of one month or less (including one month), the full amount of dividend and bonus income is included in taxable income, resulting in an

effective tax rate of 20%; for holdings exceeding one month but not more than one year (including one year), the dividend and bonus income is temporarily reduced by 50% when included in taxable income, resulting in an effective tax rate of 10%; for holdings exceeding one year, dividend and bonus income is temporarily exempt from individual income tax.

(2) For individual shareholders and securities investment funds holding restricted tradable shares of the company, in accordance with the relevant provisions of the "Notice on Issues Concerning the Implementation of a Differential Individual Income Tax Policy for Dividends and Bonuses from Listed Companies" (Cai Shui [2012] No. 85), dividends received after the lifting of restrictions shall be taxed according to regulations, with the holding period calculated from the date of restriction release. Dividends received prior to the lifting of restrictions shall temporarily be included in taxable income at 50% of their amount, resulting in an effective tax rate of 10%, meaning that the actual cash dividend distributed per share after tax is RMB 0.09.

(3) For qualified foreign institutional investors ("QFII") holding shares in the Company, pursuant to the relevant provisions of the "Notice on Issues Concerning Withholding and Payment of Enterprise Income Tax for Dividends, Bonuses, and Interest Paid by Chinese Resident Enterprises to QFIIs" (Guo Shui Han [2009] No. 47), the Company shall withhold and remit enterprise income tax at a uniform rate of 10%. After tax, the actual cash dividend distributed per share is RMB 0.09. If any shareholder believes that their dividend or bonus income should be entitled to benefits under any tax treaty (arrangement) or other preferential tax treatment, they may apply accordingly in accordance with applicable regulations.

(4) For shareholders who hold our company's shares through the Shanghai-Hong Kong Stock Connect program, including investors (both corporate and individual) listed on the Hong Kong Exchanges and Clearing Limited, cash dividends will be distributed in RMB by our company via China Securities Depository and Clearing Corporation Limited, Shanghai Branch, to the nominee accounts of the stockholders. In accordance with the "Notice on Tax Policies Regarding the Pilot Program for the Shanghai-Hong Kong Stock

Market Trading Interconnection Mechanism" (Cai Shui [2014] No. 81), our company shall withhold and remit income tax at a rate of 10% on such cash dividends, resulting in an after-tax cash dividend of RMB 0.09 per share. If any shareholder believes that their dividend income is eligible for benefits under any tax treaty (arrangement) or other preferential tax treatment, they may apply accordingly in accordance with relevant regulations.

(5) For investors holding Global Depositary Receipts (GDRs) issued by the Company on the Swiss Stock Exchange (hereinafter referred to as "GDR investors"), cash dividends will be distributed by the Company through China Securities Depository and Clearing Corporation Limited, Shanghai Branch, to Citibank, National Association—the nominee holder of the corresponding domestic A-shares underlying the GDRs. In accordance with relevant tax regulations, including the Enterprise Income Tax Law of the People's Republic of China, income tax will be withheld and remitted at a rate of 10%. After receiving dividend income from the GDRs, if GDR investors wish to claim benefits under applicable tax treaties (arrangements), they may apply accordingly to the competent tax authority of the Company. Due to public holidays abroad, the record date for GDR investors is November 10, and the cash dividends will be paid to GDR investors by Citibank, National Association via Euroclear Bank SA/NV and Clearstream Banking, S.A. on November 19, 2026, in Swiss time.

(6) For other institutional investors and corporate shareholders, the company will not withhold or pay corporate income tax on their behalf. Taxpayers shall determine independently in accordance with tax laws whether they are required to pay corporate income tax locally. The actual cash dividend distributed will be RMB 0.10 per share.
