The 7 Green Rules

THE SEPHAKU CEMENT WAY

Sephaku CEMENT
Powered By
DANGOTE CEMENT

As dedicated Sephaku Cement Employees, we commit to the following 7 Green Rules:

1. **LOWER CARBON EMISSIONS**
   By implementing our decarbonisation roadmap.

2. **CONSERVE WATER RESOURCES**
   Minimize water usage across all operations.

3. **ENHANCE ENERGY EFFICIENCY**
   Reducing energy consumption

4. **MANAGE WASTE RESPONSIBLY**
   Aiming to eliminate waste going to landfills through optimized waste management strategies.

5. **PROMOTE BIODIVERSITY**
   Supporting initiatives for ecosystem preservation and rehabilitation efforts.

6. **ENSURE CLEANER AIR QUALITY**
   Adopt practices that improve and maintain healthy air standards.

7. **UPHOLD OUR ENVIRONMENTAL LICENSES**
   Remaining compliant with all regulations and maintaining our commitment to sustainable operation.
