

YUKON FIRST NATION
CHAMBER OF COMMERCE

**BETTER CONNECTIONS.
GREATER OPPORTUNITY.
STRONGER ECONOMY.**

The Yukon First Nations Chamber of Commerce brings Yukon First Nation businesses, development corporations, trusts, economic leaders, governments, industry, investors, and partners together to create stronger pathways to economic opportunity.

WHY BECOME A MEMBER?

Get Access & Advocacy

YFNCC works to connect members with emerging business, procurement, partnership, investment, and major-project opportunities across Yukon and beyond. Most importantly, we ensure your concerns are heard.

Membership can help you access:

- Voting Privilege at the Annual General Meeting
- Delegate Registration Discount for all hosted Events
- Invitation to all Special Events
- Receipt of Weekly e-Newsletter
- Representation of Your Interests to all Orders of Government
- Representation of Your Interests on and to all Industry-related Boards, Committees and Initiatives
- Representation of Your Interests to Media

WHY BECOME A MEMBER?

Procurement Readiness

Procurement represents one of the most immediate opportunities for Yukon First Nation businesses to grow.

YFNCC helps members become more visible, prepared, and competitive.

Depending on available programs and initiatives, members may access:

- Workshops and labs
- Bid and proposal support
- Business-readiness guidance
- Capability development
- Connections to potential prime contractors and partners
- Information about upcoming opportunities
- Support navigating procurement systems

WHY BECOME A MEMBER?

Build the Right Relationships

In business, access matters.

YFNCC creates opportunities for members to build meaningful relationships with:

Depending on available programs and initiatives, members may access:

- Yukon First Nation businesses and entrepreneurs
- Development corporations and economic entities
- Government decision-makers
- Major project proponents
- Contractors and suppliers
- Investors and financial institutions
- Industry associations
- Training and educational institutions
- Indigenous economic organizations across Canada and internationally

WHY BECOME A MEMBER?

Access Strategic Events

YFNCC convenes and participates in business, investment, procurement, mining, tourism, northern development, and Indigenous economic forums in Yukon, across Canada, and internationally.

Where appropriate, we create pathways for members to participate, build relationships, showcase opportunities, and connect with potential partners.

From Yukon-based gatherings to national investment and industry forums, our objective is not simply to attend events.

It is to turn relationships into results for Yukon First Nation businesses and economic entities.

WHO MEMBERSHIP IS FOR?

YFNCC serves a growing Yukon First Nation economic community, including:

- Yukon First Nation-owned businesses
- Yukon First Nation entrepreneurs
- Small and medium-sized businesses
- Development corporations
- Trusts and wealth entities
- Economic organizations
- Businesses seeking stronger connections within the Yukon First Nation economy

MEMBERSHIP FOR ALL SIZES

Development Corporations \$5,000 / year

For Yukon First Nation Development Corporations seeking a stronger connection to investment, major projects, procurement, partnerships, and collective economic opportunities.

Business Memberships

Business membership rates are based on the number of partners and employees in your organization.

Partners & Employees	Voting Membership	Non-Voting Membership
2–4	\$200 / year	\$250 / year
5–15	\$300 / year	\$350 / year
16–30	\$450 / year	\$550 / year
31–40	\$500 / year	\$600 / year
41–50	\$1,100 / year	\$1,100 / year
51+	\$1,200 / year	\$1,200 / year

BE PART OF WHAT COMES NEXT

The next chapter of Yukon's economy is being shaped now.

Yukon First Nations should not be on the margins of that growth.

We should be building businesses, winning contracts, forming partnerships, investing in projects, creating jobs, owning assets, and helping determine what economic development in the North looks like.
