

Marketing Intern

***If you think you're a good fit, please share your resume to celia@iosg.vc
Name+Position+Location***

Location:Shenzhen/Hong Kong

Job Description :

- Assist to plan and execute both virtual and in-person events, such as OFR, AMAs, Twitter Spaces, conferences, and hackathons.
- Provide support to implement marketing strategies to enhance the visibility and reputation of IOSG within the Web3 and crypto investment community.
- Assistant in managing content across platforms — Twitter, LinkedIn, Medium, Discord, and Telegram etc.
- Work closely with portfolio projects to support marketing campaigns, PR efforts, and event collaborations.
- Assist in managing the fund's online reputation and ensure consistent brand voice and messaging.

Job Requirements :

- Fluent in English (is a must).
- Proven ability to build online communities and manage social media platforms.
- Creative, self-motivated, and able to work independently in a fast-paced environment.
- Familiarity with design tools (Canva, Figma) and analytics tools is a plus.

About IOSG Ventures:

IOSG Ventures is a leading fund that invests in the future of Web3. As a thesis-driven firm, we assist founders in developing community-driven protocols that are primed to transform the blockchain landscape. Our portfolio comprises a wide range of innovative and high-potential investments, including L1/L2 (Polkadot, NEAR, Arbitrum, Starkware), DeFi (1inch, 0x, Metamask), GameFi (Bigtime, Illuvium), and SocialFi (Galaxy, Cyberconnect).

Our team comprises experienced crypto-native BUIDLers and long-term HODLers, and we remain fully committed to supporting our early-stage developers and founders. Since our founding in 2017, we have invested in a number of industry leaders, including Cosmos, Starkware, zkSync, Arbitrum, Aztec, 1inch, MakerDAO, Illuvium, and Galxe. Whether you're building infrastructure, middleware, gaming, or social platforms, we are passionate about investing in crypto-native paradigms that have the potential to transform the future of the industry.
