WE WERE MADE FOR MORE

Revision has never been defined by a building.

From the beginning, this church has been about people. People discovering Jesus. Finding community. Serving their neighbors. Joining the mission from Atlanta and around the world.

As Revision has grown, so have the limitations of rented facilities.

Now we have an opportunity we have worked and prayed toward for years: a ministry home of our own.

Made for More is about preparing that home for what comes next.

- More room to gather.
- More opportunities to serve.
- More space for children and teens.
- More ways to care for our community.
- More capacity to reintroduce people to Jesus.

**This is more than a building.
It is room for the mission to grow.**

OUR // MISSION

To re-introduce Jesus to the city of Atlanta by leveraging the power of prayer, personal influence, community development, and love to bring about spiritual transformation.

A MESSAGE //

FROM OUR SENIOR PASTOR & FIRST LADY

Revision Family,

When we look at where God has brought us, we are filled with gratitude.

What began as a mission group has grown into a church family reaching people in Atlanta and around the world. We have watched ministries launch, relationships form, and people connect with Jesus.

Now we are entering a new chapter.

After years of gathering in rented facilities, Revision has purchased a church property that can become a permanent home for our growing ministry. Before we can move in it must be renovated and prepared for the ministry we envision.

That is why we are launching Made for More.

Our goal is not simply to renovate a building. We are making room for people to gather, children and teens to grow, ministry to happen

throughout the week, and our church to serve the community in new ways.

Over the next two years, we are asking everyone who considers Revision home, whether you worship with us in Atlanta or connect with us from around the world, to prayerfully consider your part.

We have seen what God can do through this church.

Now, together, we are making room for more.

With gratitude,

**DR. WESLEY KNIGHT
& MINISTER STEPHANIE KNIGHT**

MADE FOR MORE FROM THE START

A Mission That Kept Growing //

THE BEGINNING

In 2018, Dr. Knight started meeting with a group of individuals to envision a new kind of church.

NEW LEADERSHIP

In November 2018, Dr. Knight assumed leadership of Fusion, then a mission group of approximately 35 people.

NEW VISION

In February 2019, a new ministry vision and strategy launched to create Revision Church Atlanta.

RAPID GROWTH

Within the first six months, the church grew from 35 to 150 people.

MORE MINISTRIES

Revision went on to launch more than 28 ministries.

GLOBAL REACH

During COVID, Revision established a global online membership and viewership known as Revisioneers.

FASTEST-GROWING

Revision became the fastest growing church in membership and per capita giving in the Georgia-Cumberland Conference of Seventh-day Adventist churches.

COMMUNITY IMPACT

Revision gives 10% of its local giving back to the community through grants and partnerships and actively engages in issues of justice, equity, and advocacy.

WHERE WE ARE TODAY

// One Church. A Growing Reach.

651 TOTAL

589 ATLANTA
& GEORGIA

62 GLOBAL
REVISIONEERS

Revision's ministry now extends well beyond a weekly gathering.

Behind these numbers are people finding community, engaging in ministry, and connecting with Revision from near and far.

Our growth has also made one thing clear:

We have outgrown the limitations of rented space.

Finding facilities that can accommodate our congregation and support our ministries has become increasingly difficult. Rental spaces also limit dedicated environments for children and teens and opportunities for ministry throughout the week.

We don't simply need a larger place to worship.

We need a ministry home that can serve people all week long.

AN OPEN // DOOR

Revision has taken a major step forward by purchasing a church property at 1775 Buckeye Street SW in Atlanta's Sylvan Hills neighborhood.

Now we have the opportunity to transform it into a home designed for the ministry Revision is becoming.

Planned renovations will create dedicated spaces for worship, children, teens, community ministry, and more.

After years of searching for spaces that fit us, we can prepare a place where the mission can grow.

That is the opportunity at the heart of Made for More.

THE VISION //

More Is Not the Destination.
More Is Capacity for Mission.

● MORE PEOPLE

To reintroduce more people to Jesus.

Greater capacity to welcome people into worship, community, discipleship, and service.

● MORE ROOM

More room for His people to gather.

More gathering capacity and dedicated spaces for different ages and ministry needs.

● MORE MINISTRY

More opportunities to serve.

A permanent home creates greater freedom for ministry throughout the week.

● MORE IMPACT

More impact in our community and beyond.

Intentional spaces can expand community resources, partnerships, and care beyond weekly worship.

THE PROJECTS

ROOM FOR THE NEXT GENERATION //

Revision's vision includes dedicated environments for children and teens.

Young people need spaces where they can belong, learn, build relationships, express creativity, and grow in faith.

Dedicated children's and youth areas will give these ministries room to develop in ways rented facilities have made difficult.

We are making room not only for the church we see today, but for the generations coming behind us.

ROOM FOR OUR COMMUNITY

The building is intended to serve far beyond worship.

Revision envisions ministry throughout the week, with spaces supporting mental health resources, support groups, intervention initiatives, partnerships, and other forms of care.

Plans also include co-working spaces and potential revenue opportunities that can support broader ministry.

This property gives Revision an opportunity to become even more deeply rooted in the community.

A ministry home can serve people all week long.

// ROOM TO GROW

The planned facility will significantly expand Revision's capacity to gather.

WHAT BECOMES POSSIBLE //

A renovated ministry home creates capacity for:

- **Community Ministry**
Intentional ministry throughout the week
- **Next-Generation Spaces**
Safe, creative environments for children and teens
- **Room to Gather**
A larger sanctuary for future growth
- **Co-Working Opportunities**
Flexible spaces with potential revenue opportunities
- **Community Resources**
Space for mental health resources, support groups, and intervention initiatives
- **A Long-Term Presence**
Investment in a community marked for new development and city reinvestment

**The building is the tool.
People and ministry are the reason.**

THE INVESTMENT

Revision has already taken the important step of purchasing the property.

Made for More will help prepare it for the ministry ahead.

THE SPIRITUAL JOURNEY

// BEFORE WE GIVE, WE SEEK

Before we make commitments, we will spend 21 days praying, fasting, listening, and seeking God together.

The Made for More Spiritual Journey is an invitation to prepare our hearts before we prepare our pledges. Through Scripture, reflection, prayer, and spiritual practices, we will seek God's direction for our lives and our participation.

This journey is about more than asking:

“What should I give?”

It begins with a deeper question:

“God, what is my part?”

Don't begin with a number. Begin with prayer.

21 DAYS

Prayer • Fasting • Devotion • Discernment

WEEK ONE

DISCERNMENT & SURRENDER

God, what are You asking of us?

We begin by slowing down, listening, fasting, and surrendering. Before making financial decisions, we seek God together.

WEEK TWO

CONSECRATION & COMMITMENT

God, what are You asking of me?

We prepare our hearts before our pledges, allowing our commitment to grow from prayer, trust, and faithful stewardship.

WEEK THREE

FAITHFULNESS & DEDICATION

God, how will You use us for what comes next?

We look beyond the campaign toward the people, ministry, and community this new home will allow us to serve.

// 21 DAYS
ONE CHURCH
ONE PRAYER

God, what is my part?

WHAT WILL IT TAKE?

Made for More will require participation at many different levels.

Some will be able to make larger commitments. Others will participate through smaller gifts given faithfully over two years.

Our invitation is not for everyone to give the same amount. It is for everyone who calls Revision home to prayerfully consider their part.

GIVING OVER TWO YEARS

WHAT COULD YOUR COMMITMENT LOOK LIKE?

A two-year commitment can make generosity more manageable by spreading a larger gift across the life of the campaign.

The chart to the left is not a prescription. It is simply a tool to help you see what different commitments could look like over time.

A photograph of two Black women hugging warmly. The woman on the left is wearing a blue t-shirt and jeans, with her back to the camera. The woman on the right is wearing a red polka-dot tank top and a light-colored skirt, smiling with her eyes closed. They are set against a yellow, organic-shaped background. The top left corner of the page features a gold and white geometric design.

WAYS TO GIVE

THERE MAY BE MORE THAN ONE WAY
TO MAKE ROOM FOR MORE //

As you pray about your commitment, consider not only what you can give today, but whether there are creative ways to make generosity possible over the next two years.

// Before making any non-cash gift, contact Revision to confirm that the gift can be accepted. Individuals considering gifts with financial or tax implications should consult their own professional advisor.

// SIMPLIFY

Temporarily reduce discretionary spending and redirect the savings to Made for More.

// SACRIFICE

Consider giving up a nonessential expense for a season and dedicating those resources to the campaign.

// REDIRECT

If an expense ends during the campaign, consider continuing to set aside some or all of that amount for Made for More.

// SHARE INCREASES

A raise, bonus, tax refund, commission, monetary gift, or other unexpected income may provide an opportunity for additional generosity.

// GIVE ASSETS

Stocks, securities, donor-advised funds, real estate, and certain other appreciated assets may offer another way to participate.

// CONSIDER PROPERTY

In some circumstances, personal property or other valuable assets may be accepted as a campaign gift.

FREQUENTLY ASKED QUESTIONS //

WHAT IS MADE FOR MORE?

Made for More is Revision Church Atlanta's two-year capital campaign to prepare our new church home for ministry. Campaign gifts will support renovations and build-out that create more room for worship, children and teens, ministry throughout the week, and service to our community.

WHAT IS OUR CAMPAIGN GOAL?

Our projected goal is \$1.75 million, with a faith goal of \$2.5 million. These funds will help prepare the property for ministry and move Revision toward the full vision for our new home.

HOW LONG IS THE CAMPAIGN?

Made for More is a **two-year** giving journey from 2026–2028. Commitments may be fulfilled throughout the campaign period.

IS MY COMMITMENT IN ADDITION TO MY REGULAR TITHE AND OFFERING?

Yes. Made for More is a special capital campaign commitment above regular tithe and offerings. Regular giving continues to support Revision's ongoing ministry and mission.

HOW MUCH SHOULD I GIVE?

There is no single amount expected of everyone. Complete the Spiritual Journey, pray, and ask God what faithful participation looks like for you.

HOW CAN I FULFILL MY COMMITMENT?

Commitments may be fulfilled throughout the two-year campaign through recurring or one-time gifts using Revision's approved giving methods.

CAN I CHANGE MY COMMITMENT?

Yes. Your commitment represents a prayerful intention, not a legal obligation. If circumstances change, your commitment may be adjusted.

WILL MY COMMITMENT REMAIN CONFIDENTIAL?

Yes. Individual commitments and giving information will be handled confidentially through the church's normal financial processes.

CAN I PARTICIPATE IF I AM A REVISIONEER OR LIVE OUTSIDE ATLANTA?

Absolutely. Made for More is an invitation to everyone who considers Revision home, whether you worship in Atlanta or connect from around the world.

WHAT IF I HAVE QUESTIONS OR WANT TO DISCUSS A NON-CASH GIFT?

Contact the Made for More team before making a non-cash contribution or if you need help with campaign giving.

YOUR NEXT STEP

// PRAY

Enter the 21-Day Spiritual Journey and ask God to prepare your heart.

// DISCERN

Consider what faithful stewardship looks like for you or your household.

// COMMIT

Make a two-year commitment based on what you believe God is asking you to do.

// PARTICIPATE

Fulfill your commitment faithfully and continue praying for the people, ministry, and community this new home will serve.

THIS IS OUR MOMENT //

Revision's story has always been
one of movement.

A mission group became a growing church.
A local congregation developed a global
community. Dozens of ministries emerged.
Hundreds became part of the Revision family.

Now, after years of gathering in rented
facilities, we have the opportunity to
establish a permanent ministry home.

Not because a building is the mission.
Because it can make more of the
mission possible.

More room.
More ministry.
More impact.

We were Made for More.

THANK YOU

Thank you for praying, participating,
and believing in what God can continue
to do through Revision Church Atlanta.

// Together, we are making room for more.
