

NOVEMBER 2025

Together in This Moment

Dear Nourishing Neighbors Family,

We find ourselves once again in a moment that tests our collective resilience and compassion.

The current shutdown and its ripple effects are being felt deeply across our communities—families struggling to put food on the table, children missing out on the support systems they rely on, and uncertainty weighing heavily on so many.

Through it all, your steadfast dedication continues to shine. You continue to show up, day after day, challenge after challenge—never giving up on the people who count on you most. Whether it was during the pandemic, natural disasters, or moments like this, you find a way to keep going. Your commitment inspires us every single day.

At Albertsons Companies Foundation, we remain committed to fighting hunger and strengthen our communities.

We see you, we hear you, and we are standing alongside you. In the days ahead, we will be sharing more about our plans to further support the incredible work you are doing on the frontlines.

Thank you for your compassion, perseverance, and partnership. You are the reason so many families will continue to have hope even in the hardest moments. We are deeply grateful for all that you do.

With deepest gratitude,
Christy Duncan Anderson
