4. Personal data protection

Louis Thomson places particular importance on respecting the privacy of website visitors.

The website does not include account creation, a member area, or a contact form that directly collects personal data.

However, certain technical data may be processed automatically when the website is visited by service providers required for its operation or by the third-party services described below.

The person responsible for data processing in connection with this website is:

Louis Thomson

Le Prieuré 9
1163 Etoy
Switzerland

For any questions regarding data protection or to exercise rights provided under applicable law, visitors may contact Louis Thomson at this email address.

5. Audience measurement - Simple Analytics

This website uses **Simple Analytics** to obtain general statistics about website traffic and use.

Simple Analytics is an audience measurement tool designed to minimise data collection. According to the information provided by the service, it:

- does not use cookies to identify visitors;
- does not store visitors' IP addresses;
- does not use individual visitor identifiers;
- does not track users across different websites;
- provides aggregated website traffic statistics.

The statistical data may include pages viewed, referring websites, certain technical information about the browser or device, and general traffic data.

Simple Analytics data is hosted within the European Union.

6. YouTube videos

This website embeds videos hosted by **YouTube**, a service provided by Google.

Videos are embedded using the **youtube-nocookie.com** domain, which corresponds to YouTube's privacy-enhanced mode.

This mode is intended to limit the use of interactions with embedded videos for personalisation purposes. However, when a visitor interacts with or plays a video, certain technical information may still be transmitted to YouTube and Google in accordance with their own privacy policies.

Louis Thomson has no control over data processing carried out directly by YouTube or Google.

Visitors who would like further information are invited to consult Google and YouTube's privacy policies.

7. Cookies and similar technologies

The website does not use advertising cookies or cookies intended to create individual browsing profiles on behalf of Louis Thomson.

Simple Analytics operates without placing cookies that identify visitors.

External services embedded on the website, including YouTube, may nevertheless use certain technologies when a visitor interacts with their content, in accordance with their own privacy policies.

If new analytics, advertising, or tracking tools requiring cookies or similar technologies are added to the website, this policy will be updated accordingly.

8. External links

The website may contain links to external websites or services.

Louis Thomson cannot be held responsible for the content, availability, or data protection practices of third-party websites. Visitors are encouraged to consult the relevant terms of use and privacy policies of those services.

9. Liability

The information published on this website is provided for informational purposes and may be changed at any time.

Louis Thomson makes reasonable efforts to keep the information presented on the website accurate and up to date, but cannot guarantee that it is entirely free from errors or omissions.

To the extent permitted by applicable law, Louis Thomson shall not be liable for direct or indirect damage resulting from the use of this website.

10. Applicable law

This website and these legal notices are governed by Swiss law.

This policy may be updated to reflect changes to the website, the services used, or applicable legal requirements.
