The entrance is flanked by mirrored gate houses with striking wrought-iron gates which gives an idea of what is about to come; a grand mansion sitting proudly at the end of a sweeping tree-lined driveway half a mile long.

You can have exclusive use of 4 state rooms, offering privacy and exclusivity where you can hold your event. All meeting rooms are located on the ground floor, for easy access, and all have natural light. The Great Hall and The Morning Room are the biggest rooms and can be set up in rounds, cabaret, theatre style or plus many other possible combinations. The Old Library can be used as a small meeting room or breakout area and The Drawing Room/Bar has a fully licenced bar with comfy sofas and open fireplaces.

We also have 12 acres of grounds which, not only are a magnificent backdrop, but the additional space can also be hired for those team building days or larger marquee events.

The Champagne Terrace has stone steps leading down to the Sunken Garden, from there you can stroll to the Old Tennis Courts which overlook the Meadow and Orchard.

Four State Rooms

THE GREAT HALL

Its oak-panelled walls, huge open fireplace, and large stone-mullioned windows give it immense character.

The dark oak panelling creates an intimate atmosphere where you can feel the room's grandness without feeling lost.

The Great Hall allows you to design your seating plan to perfection, while the wood panels provide fantastic natural acoustics—ideal for dinners and events.

THE MORNING ROOM

The Morning Room is light, bright and white, and overlooks the beautiful Sunken Garden.

It gets the sun early on in the day and is framed by two white pillars and an old fireplace.

Ideally located next to the gardens, it can be a place for meetings or lunch & refreshments.

THE OLD LIBRARY

The Old Library is the perfect retreat, where your delegates can enjoy breaks between meetings, it's also great for one-to-ones catch up., phone calls or for privacy.

It's spacious, with great natural light providing a relaxing background for your guests. It is filled with cosy sofas, two fireplaces and wonderful antique furniture.

We can light the fireplace in the winter providing that special cozy feel - making it a perfect place to relax from busy meetings.

THE DRAWING ROOM

The Drawing Room is set out with comfy leather sofas. Being close to the main entrance means it is the ideal place to receive your delegates.

With dual aspect, you can soak up the view over the surrounding paddocks or relax on the window seat looking up the tree-lined avenue.

The Drawing Room is a the perfect place to register your delegates and to welcome them in the coffee/ tea station. The Drawing Room is not used for meetings usually. It is used for bar, registration, reception and refreshment station
