REVIEWS

IN OUR COUPLES' WORDS

“ FROM START TO FINISH WE WERE MADE TO FEEL LIKE PEOPLE, NOT A PAYCHECK. EVERY INTERACTION WAS WARM, GENUINE, AND FULL OF CARE. OUR QUESTIONS, REQUESTS, AND IDEAS WERE MET NOT ONLY WITH OPEN MINDS BUT WITH ENTHUSIASM, PROFESSIONALISM, AND A SENSE OF FUN THAT MADE THE WHOLE JOURNEY A JOY ”

The main reason we chose Lanwades Hall was due to the stunning grounds and beautiful Hall (...). The second reason is that Lanwades Hall doesn't have the feel of a corporate wedding venue. I didn't get the feeling that someone was trying to quickly sell the venue to me –which immediately made me feel at ease

On the run up to the wedding we were allowed to visit as many times as we needed too, and the staff were always very responsive to any queries we had and would always respond within a few days. I would give the venue and the staff 6 stars if I could, we had an absolutely fantastic day, and wouldn't have changed a thing

We were made welcome from the moment we spoke to them and were able to meet with them as much as needed before the big day to make plans and arrangements and they kept in touch frequently via email and phone - it was a huge weight off our minds to have someone organised and experienced with such important special occasions looking after us and helping us. Fast forward to the big day and it was everything we could have wished for.

“ LANWADES HALL WAS THE MOST BEAUTIFUL VENUE WE COULD HAVE EVER DREAMT OF FOR OUR WINTER WEDDING. THE VENUE BALANCES INTIMACY WITH GRANDEUR PERFECTLY ”

Throughout the year of planning, they were endlessly patient and kind. Honestly, I lost track of how many times I asked the same questions, but they always responded with warmth and understanding, never making me feel like I was being a bother.

Lanwades Hall is a beautiful venue, I knew I wanted to get married there the second I drove up the driveway and saw the building. (...) I am a type A planner with a detailed spreadsheet but on the day, I didn't have a clue what time it was or what was next (I was just having a blast) but everything ran perfectly because they were so in control

The venue itself is beautiful. The building is characterful and warm, and very minimal decoration is needed around the place, it's already grand enough! The wonderful big stair case in particular provides a great princess moment. The grounds are lovely, providing lots of different spots for photos. They're well maintain throughout the year.
