Your price is confirmed after measurement

Submit estimated quantities and sizes online, pay a 50% deposit and schedule your complimentary measurement. We verify every opening and confirm the final total before the order is placed.

Important pricing notes

- All prices are per treatment, include standard installation and are before applicable sales tax.
- The minimum order is eight total treatments. Faux wood blinds, honeycomb shades and vertical blinds may be combined.
- Use the first width-and-height bracket that is equal to or larger than the opening. Exact sizes are verified before ordering.
- The 50% online deposit is applied to the final order. The remaining balance and any measurement adjustment are confirmed before ordering.
- Specialty shapes, unusually high or difficult-to-access openings, nonstandard mounting surfaces, removal of existing treatments and service outside the standard area may require an additional quote.
- Product availability and installation timing are confirmed with the final order.
