Editors' Take

There's a soothing sensibility to these spaces, where neutrals thrive with just the right amount of color, pattern, and chintz. But when Helen Bergin goes bold, as seen in her cabana bathroom at the 2024 Palm Beach Kips Bay Showhouse, she also does it with sophisticated style.

About

Helen Bergin Interiors is a boutique interior design firm based in Palm Beach, Florida and founded 9 years ago. Their expertise includes not only residential projects but also commercial projects with a focus on the hospitality sector. Bergin believes that design should be personalized to fit each client's individual style

and taste.

Bergin and her team aim to deliver a finished project that embodies what a home means to each client—combining comfort with sophistication and the past with the present as they create each new unique environment. Helen Bergin Interiors has been featured in Veranda, House Beautiful, Galerie, and The Wall Street Journal, amongst other publications. In 2023, Bergin was featured as a Rising Star of Design in Traditional Home and in the inaugural class of Luxe Magazine's Next In Design: a new signature program celebrating the freshest, most exciting firms around the country. In early 2024, Bergin was invited to participate in the prestigious Palm Beach Kips Bay Showhouse.

Helen Bergin Interiors has a design showroom off Royal Palm Way in Palm Beach with renowned wallpaper designer Gwen Rayner of Aqualille, providing clients a haven to discuss design in an inviting and inspired environment.
