Vitarion Systems Group LLC

Employee SMS Notification Authorization

LEXI INTERNAL OPERATIONAL NOTIFICATIONS

Employee name

Mobile telephone number

Lexi, Vitarion's virtual assistant, sends internal operational SMS notifications to authorized, opted-in Vitarion personnel. Messages concern customer service requests, missed calls, troubleshooting escalations, and callback notifications. This is not a marketing program.

☐ **Optional:** I voluntarily authorize Vitarion Systems Group LLC to send Lexi operational SMS notifications to the mobile number above. I may decline or withdraw SMS consent and use non-SMS company communication channels. Signing without checking this box does not authorize SMS notifications.

Message frequency varies. Message and data rates may apply.
