Notice No. 26-101

Notice to Participants: Rule 7.2 Settlement procedure for New York Giants vs. Washington Commanders football game on Oct 11, 2026

Pursuant to DCM Rule 7.2, found in the Rothera DCM Rulebook here, the Exchange retains the authority to adopt procedures to determine the settlement price of a contract. In accordance with Rule 7.2, the Exchange has determined that position holders in the New York Giants vs. Washington Commanders football game on Oct 11, 2026 will receive a payout calculated by multiplying the number of Contracts held by this $0.50 price. If you have any questions or require further clarification regarding this settlement determination, please email operations@rothera.io.
