

Grantee Application Guide

Thank you for your interest in partnering with the Paul Angell Foundation! This guide walks you through everything you need to set up your account, check your eligibility, and submit your grant application through Foundant, our grants portal.

Please note that the Paul Angell Foundation is currently accepting applications by invitation only.

Need help or technical assistance? Email grants@paulangell.org.

Step 1: Create an Account

Already have an account? Organizations with registered accounts can skip Steps 1 and 2. Please enter your credentials and log in [here](#). To add or update staff, email grants@paulangell.org.

New Organizations: Create an account by clicking [here](#).

 **Tip:** Have your EIN, address, and Executive Officer contact information on hand before you start registering.

 **Note:** If your organization is outside of the U.S., enter 00-0000000. You'll see a duplicate warning message—ignore it and continue. We complete an Equivalency Determination before any international grant award and will be in touch with the next steps. We only accept applications from international organizations within our Marine Conservation Program.

Step 2: Set Up Multi-Factor Authentication (MFA)

Prepare to log in with MFA

- Download an authenticator app of your choice to your smartphone. Common options for Apple and Android devices include:
 - [Microsoft Authenticator](#)
 - [Google Authenticator](#)
 - [2FA Authenticator \(2FAS\)](#)

Log in with MFA

- Navigate to Paul Angell's grants portal:
<https://www.grantinterface.com/Home/Logon?urlkey=pmangellfamfound>
- To log in:
 - Enter the password you normally use to log in to your grants portal account
 - Enter the code provided by your Authenticator app
 - Open the Authenticator app
 - Enter the key or scan the QR code provided by our grants portal
 - The Authenticator app will provide you with a code
 - Enter the code into "Verification Code" on the grants portal
 - Click "Verify"

Step 3: Complete the Eligibility Quiz

 *Note: If you are applying for funding from our Marine Conservation program, you will receive an access code instead of completing the eligibility quiz. Please proceed to step 4.*

We use an eligibility quiz to simplify the process and direct you to the correct application.

Once logged in, navigate to the "Apply" page.

We highly recommend completing the eligibility quiz as soon as possible, so you know what the application will require.

 *Note: The eligibility quiz opens along with the grant cycle. View 2026 grant cycle dates [here](#).*

Step 4: Enter Your Application Access Code

If we invite you to complete an application, we'll email you an Access Code

How to enter your code:

1. In the header bar of the grants portal, click "Apply" (top left corner).
2. On the Apply page, locate the search bar on the right side of the screen labeled "Search or enter Access Code."
3. Enter the Access Code.

Didn't receive an Access Code, and think you should have one?

Contact the appropriate program team directly:

- Marine Conservation: marineconservation@paulangell.org
- Performing Arts: performingarts@paulangell.org

- Social Impact: socialimpact@paulangell.org

Step 5: Submit Your Grant Application

Applications vary by program area. Preview the application relevant to your organization:

- Marine Conservation: [new applicant](#) or [returning grantee](#)
- Performing Arts: [new applicant](#) or [returning grantee](#)
- Social Impact: [new applicant](#) or [returning grantee](#)

Complete all required fields and submit your application by the deadline noted [here](#).

We'll review your application and notify you of the decision and any next steps via email. Please add administrator@grantinterface.com to your contacts so you don't miss any emails we send.

Need help or technical assistance? Email grants@paulangell.org for assistance.

What To Expect During the Process

While You're Applying

You can save your progress and return to your application later using the "Save" button within the portal. That said, we strongly encourage you to draft your responses in a separate document first (e.g., Word or Google Doc), then copy them into the portal. This ensures you always have a backup of your work outside of the portal.

Applications vary by program area. Preview the application relevant to your organization:

- Marine Conservation: [new applicant](#) or [returning grantee](#)
- Performing Arts: [new applicant](#) or [returning grantee](#)
- Social Impact: [new applicant](#) or [returning grantee](#)

If you experience any issues while applying, please contact grants@paulangell.org.

After You've Submitted

Once you submit your application, you'll receive a confirmation email from **administrator@grantinterface.com** verifying that your application was successfully submitted.

Then, your application moves into our review process. Our program staff and Board of Directors will review your application. We appreciate learning about your efforts to ignite possibilities for all.

Paul Angell
Foundation

Feel free to reach out to your program officer if you have any questions. If one of our program officers has a question about your application, they will reach out directly. Otherwise, we won't reach out with a formal update until a decision has been made.

You can expect to receive a decision within 4 months of the application deadline. Thank you for sharing your work with us and for your patience as we review it.

📌 *Haven't heard back within 4 months of your submission? Contact grants@paulangell.org.*
