

DIVANI / SOFAS

ARGO design Mauro Lipparini
Sistema divano, disponibile in versione fissa e componibile con struttura legno in multistrato rivestito da uno strato di poliuretano flessibile stampato, dotato di piedini H 80 mm regolabili in maniera indipendente, in metallo finitura canna di fucole. Cuscino di seduta: poliuretano espanso sagomato a quote differenziate ricoperto in fibra di poliestere. Cuscino schienale: in fibra di poliestere e piuma sterilizzata, entrambi rivestiti in fodera di cotone, dotato di struttura in metallo finalizzata a migliorarne il comfort. Rivestimento finale in tessuto, similpelle o pelle sfoderabili.
Sofa system, available in fixed and modular versions with plywood frame, clad with a flexible, printed polyurethane layer and furnished with independently adjustable feet of H 80 mm, in gunmetal finish. Seat cushion: moulded polyurethane foam of varying density, covered in polyester fibre. Back cushion: in polyester fibre and sterilised feathers, both covered in cotton lining, furnished with a metal frame designed to improve comfort. Removable final cover in fabric, imitation leather or leather.
