

SWUC Early Childhood

What is an Early Childhood Program?

Pre-kindergarten classrooms are part of school programs and service children who are 4 years-old by the state cut-off entrance date for kindergarten.

Preschool classrooms are comprised of children 2½ to 5 years-old (not eligible for kindergarten because of state cut-off entrance dates).

Early Childhood Centers are comprised of children 6 weeks to 5 years-old.

Early Childhood Learning Standards are grouped in five developmental domains:

1. Spiritual
2. Physical and Health
3. Social-Emotional
4. Language/Communication
5. Cognitive

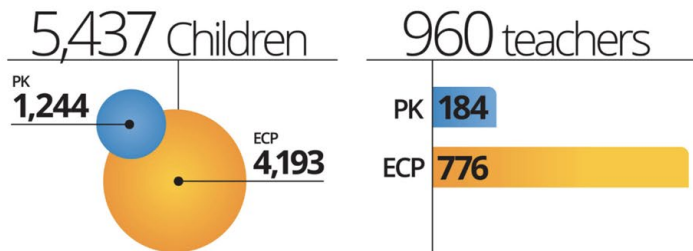

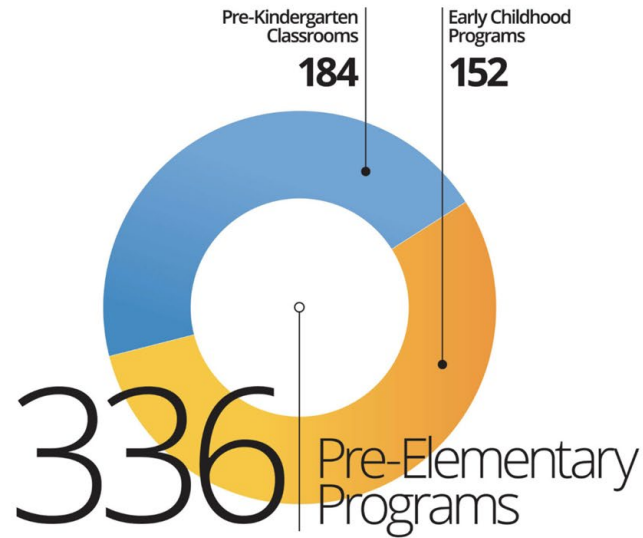

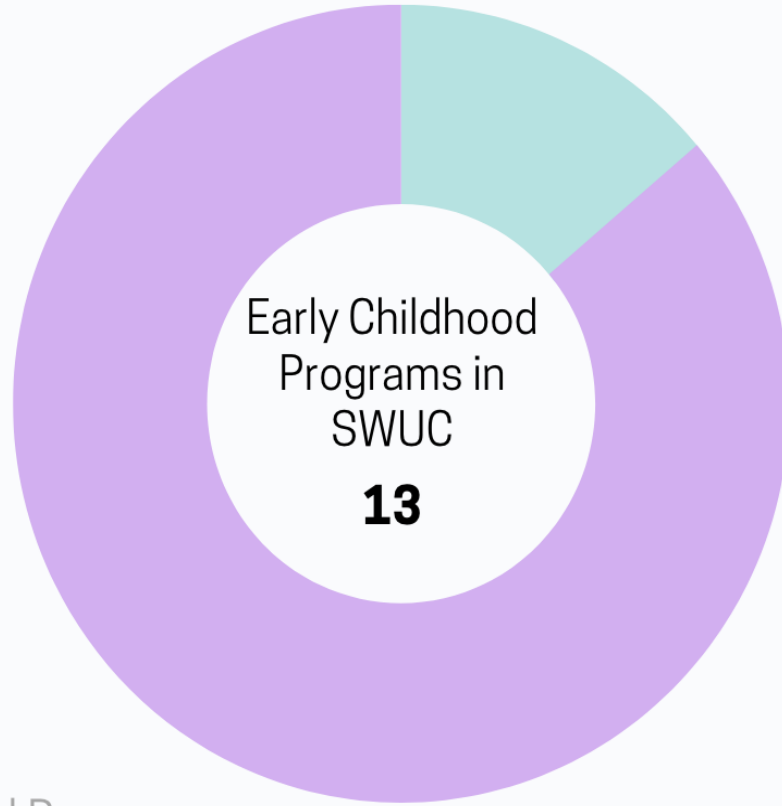

North American Division

We are admonished to teach the words of Holy Script "diligently unto thy children," and to "train up a child in the way he should go" (Matthew 6:33, Deuteronomy 6:7, and Proverbs 22:6, KJV).
