OUR MISSION

LWFC KIDZ

Our goal is to communicate God's Word through music and creative activities so that children can begin applying biblical teachings in their every day lives. Through these experiences, we desire for our children to develop a deep love and respect for our Lord Jesus Christ.

Legacy is designed for middle and high school students 7-12th grade. Our primary goal in working with young people at LWFC is that they would grow to be strong in their relationship with Jesus Christ. Legacy students are taught how to love God and to exemplify the teachings of Christ, and to serve others around them. They receive discipleship and mentorship as well.
