Dr. Petr Vaughan D.D.S

Dr. Allison Bailey D.D.S

At Harrison Pediatric Dentistry, our dedicated dentists are committed to creating a welcoming dental home tailored to each child's unique needs. From the very first visit, we establish a foundation of trust and comfort, ensuring every treatment is both effective and empathetic. By understanding each family's specific requirements, we promote long-term oral health and ensure every child leaves with a smile.

We have an amazing team of doctors that bring extensive experience in pediatric dentistry. They are devoted to fostering a positive atmosphere where children feel relaxed and excited about caring for their teeth. We transform routine dental care into an enjoyable journey for every child!
