

THE JOURNEY OF BECOMING LIKE CHRIST

These **ten** Bible studies are thoughtfully curated to help believers understand the Gospel, cultivate the character and nature of Christ, and deepen their relationship with Him through the renewal and transformation of their mind. As you learn to respond daily to the leading of the Holy Spirit, this ten-part series will guide you towards spiritual growth, Christlikeness, and a life increasingly aligned with God's Word. Whether you are a new believer or a mature Christian seeking deeper spiritual understanding, these studies invite you into a lifelong journey of becoming more like Christ.

Each Lesson will follow the same learning journey

1. Study title and foundational Scripture

Participants will be responsible to understand what scripture says. Participants can explore several versions of the scripture for a deeper perspective of the verse. More seasoned believers can use reference bibles even the Greek and Hebrew Lexicon.

2. Observe and interpret the Word

What does the passage actually say? What does it reveal about God, Christ, human nature, and discipleship?

3. Reflection and discussion questions

Consider what the Word reveals about your hearts and lives.

4. Personal conviction and application

It helps participants identify a belief, attitude, habit, or behavior that needs to change in light of Scripture.

5. A practical discipleship challenge

Participants will be challenged to one specific action to practice during the coming week.

6. Closing prayer and journal reflection

Participants will use journals to respond to God, record their insights, and revisit their progress.
