LOCAL ECONOMIC BENEFITS

About **300** jobs and significant local spending during construction

Will generate enough clean energy to power over **87,000** average Ohio homes

New tax revenue for local school district, counties, and townships totaling more than **\$70 million** over 30 years

Up to **12 full-time** local jobs for operations and maintenance

Taxpayers and landowners protected from removal costs through a prefunded decommissioning bond

Existing high-voltage power lines and highways will limit the need for new infrastructure
