Certificate Number 0042463842

TKT: YL (YOUNG LEARNERS)

TKT: YL is a test of professional knowledge for English language teachers who teach English to young learners.

TKT: YL consists of four parts.

Part 1 Knowledge of young learners and principles of teaching English to young learners

- children's characteristics as language learners
- developing children's learning strategies through language learning
- developing children's cognitive strategies through language learning
- developing children's communication strategies through language learning

Part 2 Planning and preparing young learner lessons

- lesson plans - components/headings
- providing support and challenge when selecting coursebooks and supplementary materials
- additional resources - selecting, adapting and supplementing

Part 3 Teaching young learners

- scaffolding children's understanding of language and use of language through teacher language and teaching strategies
- using practice activities to consolidate children's language learning
- managing young learners in class

Part 4 Assessing young learner learning through classroom-based assessment

- purposes of different types of classroom-based assessment
- focus of different types of classroom-based assessment
- acting on classroom-based assessment evidence

PERFORMANCE BANDS

TKT: YL results are reported in four bands. There is no pass/fail.

A typical candidate at this level demonstrates

Band 1	<i>limited knowledge of TKT: YL content areas</i>
Band 2	<i>basic, but systematic knowledge of TKT: YL content areas</i>
Band 3	<i>breadth and depth of knowledge of TKT: YL content areas</i>
Band 4	<i>extensive knowledge of TKT: YL content areas</i>
