INTRODUCTION

An invitation to seven agents

Eleven days built for the agents who sell South Africa as the premier golf and safari destination, at the four- and five-star level, and who want to do it in partnership with Ascot Tours.

Ascot Tours has built golf and safari travel in Africa for the trade since 1996 and was named Africa's Best Golf Tour Operator at the World Golf Awards 2024. Every year we meet operators who sell the Cape well and have never seen the Bushveld, and operators who know Sun City and have never played the Winelands. This programme puts both halves of South African golf in one trip: three rounds around Cape Town and Stellenbosch, then two hours north by air to the Waterberg and Sun City for seven golf experiences, five of them inside private reserves where giraffe, zebra and antelope share the fairways. Among them is the Extreme 19th at Legend Golf & Safari Resort, the only hole of its kind in the world: a par 3 whose tee is reached by helicopter on top of Hanglip Mountain, 400 m above the green.

Seven places exist and they are offered by invitation. They are not advertised and they are not first come, first served. They go to agents who already sell golf and safari to South Africa at the four- and five-star level, or who have decided to, and who want to do it in partnership with us. In return we ask one thing: that you come to sell. The group travels together with one host from Ascot Tours throughout, in one vehicle, on one programme. Every hotel on the route is inspected with the rooming shown, two further hotels are inspected along the way, and every round is played from the tees your clients will play.

The participation fee is US$3,995 per person, and for the right agent it costs nothing: the full amount is refunded against the first two bookings you make with Ascot Tours after the trip, half against each. Everything on the programme is included from arrival in Cape Town to check-in at OR Tambo, with the exceptions listed under What is included.

THE ROUTE

Why the route works

Two regions, one flight between them, and the only helicopter-access par 3 in the world.

DAYS 1 TO 5 · CAPE TOWN AND THE WINELANDS

Four nights in the Cape cover the three courses most of your clients will ask for first. Steenberg sits in the Constantia valley twenty minutes from the city. De Zalze is in Stellenbosch on the Kleine Zalze wine estate. Pearl Valley at Val de Vie is the Jack Nicklaus Signature course in the Franschhoek valley. Between them you inspect the Radisson Collection on the water at Granger Bay, the Steenberg Hotel on its wine estate, the Bay Hotel in Camps Bay and the Pearl Valley Hotel on the estate, so you leave with a 5-star city option, a 5-star estate option and two golf-at-the-door options to sell.

DAYS 5 TO 11 · THE WATERBERG AND SUN CITY

A two-hour Airlink flight takes the group from Cape Town to Johannesburg, and the road north reaches Legend Golf & Safari Resort by mid-afternoon. Legend reopened in May 2026 after seven years closed, and most agents have not seen it since. The Signature Course, the ten-hole Tribute and the Extreme 19th are played on consecutive days. Elements and Zebula, both Peter Matkovich courses inside private reserves near Bela-Bela, follow. The programme ends at Sun City with the Lost City course, the Gary Player Country Club and a Pilanesberg game drive, from the Palace of the Lost City.

THE COMMERCIAL LOGIC

The Cape sells itself; the Bushveld needs an agent who has stood on the Extreme 19th tee. Pairing them in one trip gives you a ten-night product with two distinct halves, a domestic flight between them that works in either direction, and three game drives in three reserves. The whole route is also drivable at the Sun City end, which keeps the cost of a client group down.

FILMED THROUGHOUT

A professional videographer travels with the group for the full eleven days and captures everything on film: every course, every hotel, the game drives, the helicopter to the Extreme 19th and you playing it. You receive the edited video and the stills to use on your own website and social media, so you start selling South Africa the week you get home with footage of yourself in it.

AFTERWARDS

You return with first-hand notes on seven properties and ten golf experiences, the contacts at each, a sample ten-night product you can quote straight away, your own video and photo library, and a partner in Africa with offices in Cape Town, Johannesburg, Knysna, Nairobi and Victoria Falls behind every booking. Ascot Tours builds every tour to the client's brief and quotes net rates to agents; there are no published tariffs, so the sooner we have your client's dates, the sooner you have a price.

An invitation is confirmed on receipt of the participation fee and a copy of your international flight confirmation. Seven places exist. Ascot Tours and the participating hotels and clubs invest in this programme together, and we would rather leave a place empty than fill it with an agent who is not going to sell South Africa. The invitation is for operators who will.

Practical notes

FLIGHTS

Arrive at Cape Town International (CPT) by 14h00 on Wednesday 28 April. Depart from OR Tambo, Johannesburg (JNB) after 18h00 on Saturday 8 May. Both are served by direct flights from London and the Gulf; most North American routings connect in Europe, Doha, Dubai or Addis Ababa. One golf bag is included on the Airlink sector.

ENTRY

Passports must be valid for 30 days beyond departure with two blank pages. Nationals of the UK, EU, USA, Canada, Australia and New Zealand do not need a visa for a visit of up to 90 days. Check your own position before booking flights.

HEALTH

No vaccinations are required for entry from Europe or North America. Tap water is drinkable throughout.

WEATHER

Late April and early May is autumn. Cape Town averages 22°C by day and 12°C at night, with a chance of a front; bring a layer and a rain jacket for the course. The Waterberg and Sun City are at the start of the dry season: 24 to 26°C by day, falling to 7 to 10°C at dawn, so the Extreme 19th at 08h00 and the game drives need a warm layer.

GOLF

Clubs are collared shirts and tailored shorts or trousers; no denim on any course. Soft spikes only. Steenberg, De Zalze and Pearl Valley have caddies on request; Legend, Elements and Zebula provide carts. A handicap certificate is not required. Rental sets are available at every course if you prefer to travel without clubs.

MONEY

South African rand. Cards are accepted everywhere on the programme, including at the halfway houses. A guide to gratuities is sent with the final documents.

DOCUMENTS

A final itinerary with hotel addresses, tee times and the host's number is issued 21 days before departure.
