

TQI Solutions is a Service-Disabled Veteran-Owned Small Business (SDVOSB) that delivers mission-critical portfolio management, systems engineering & integration, IT services, cybersecurity, and data & analytics solutions. With more than 20 years of Navy and DoD experience, we bring clarity to complexity, ensure readiness, and enable mission success.

Core Competencies

- 
Portfolio Management
 Strategic program leadership, governance, acquisition support, and disciplined execution.
- 
Systems Engineering & Integration
 Requirements management, design analysis, technology gap identification, and lifecycle sustainment—including test & evaluation—to ensure systems perform as intended.
- 
Digital & IT Services
 ITSM, enterprise IT support, network management, and user-centered digital transformation.
- 
Cybersecurity & Risk Management
 RMF compliance, vulnerability assessments, cyber readiness, and proactive risk mitigation.
- 
Data & Analytics
 Data governance, analysis, visualization, and AI/ML modeling to enable informed, confident decisions.

Past Performance

- 
U.S. Fleet Forces Command (USFF)
 Portfolio management and governance support improving readiness alignment and mission integration.
- 
NAVSEA
 Systems engineering, lifecycle sustainment, and test & evaluation enhancing mission assurance.
- 
OPNAV
 Integrated strategy, governance, digital transformation, and audit support enabling enterprise-wide visibility and decision support.
- 
Military Sealift Command (MSC)
 IT services, portfolio management, and capital investment governance improving operational efficiency and afloat/ashore IT capabilities.

Differentiators

- 
99% on-time delivery across active projects
- 
Veteran-owned with over 20 years of DoD and federal experience
- 
More than 50% of workforce are veterans
- 
Human-centered, collaborative approach that bridges silos and delivers outcomes with confidence

HQ Address: 535 Independence Pkwy,
Suite #700, Chesapeake, VA 23320

NAICS Codes: Primary - 541330 | Secondary - 54151S

CAGE Code: 4JRW3

Socio-Economic Status: Service-Disabled
Veteran-Owned Small Business (SDVOSB)

Contract Vehicles: SeaPort NXG, GSA MAS,
OSD ATSS, OASIS+

How We Deliver Value

Integration Over Silos

We align portfolios, systems, and stakeholders to eliminate gaps and ensure mission assurance.

Proven Execution

Disciplined processes and experienced teams drive a 98% on-time delivery rate across active projects.

Mission-First Mindset

Over half of our workforce are veterans, bringing firsthand understanding of defense priorities and operational realities.

Agile Partner

We combine deep customer understanding with responsive, transparent relationships to adapt to evolving mission needs.

Client Impact

Strengthening Navy Readiness

Delivered logistics IT portfolio management and governance support to USFF, improving synchronization across enterprise programs and resources.

Securing the Mission

Supported offensive and defensive cyber operations for PHSNY—reducing vulnerabilities, identifying threat vectors, and ensuring compliance with evolving DoD requirements.

Engineering for Reliability

Provided lifecycle sustainment and test & evaluation support for NAVSEA and NAVAIR, validating systems under operational conditions.

Optimizing IT Operations

Enhanced MSC's N6/C4 IT portfolio management and capital investment governance, improving afloat/ashore IT capabilities and service performance.

?

Our People & Culture

Our core values — Trust, Quality, and Innovation — guide everything we do.

We build long-term partnerships through collaboration, accountability, and transparency. Our people are our greatest asset, and their commitment to mission readiness and national security defines our reputation for dependable, high-quality results.

Why It Matters

Federal agencies face growing pressure to integrate systems, reduce risk, and demonstrate measurable outcomes. TQI doesn't just deliver services — we provide clarity in complexity, ensuring missions succeed when it matters most.
