PUBLICATIONS

PROFESSIONAL BIO

Dr. Micah Green is a Professor and Associate Department Head of Chemical Engineering at Texas A&M University, where he leads a research group in the area of nanomaterials, polymers, 3D printing, and electrothermal processing. He has won numerous awards for his leadership in these areas, including the Air Force Young Investigator Award and the NSF CAREER Award.

Dr. Green is also one of the pastors at New Life Baptist Church in College Station, Texas. He is a past president of the Christian Faculty Network at Texas A&M and serves as faculty advisor to several TAMU Christian student organizations, including Navigators, Ratio Christi, and Fellowship of Christian Grads. He is married to Heather and has four children. Micah's interests include apologetics and the interactions between science and faith, and he is passionate about helping Christians to be salt and light in the university.

UNIVERSITIES ATTENDED

Massachusetts Insitute of Technology
Ph.D. Chemical Engineering

Texas Tech University
B.S. Chemical Engineering
