# consultation

A great first step with Dr Munroe - design a bespoke treatment plan together, redeemable against treatment costs

| | |
|---|---|
| Consultation | £100 |

# refresh & relax

Wrinkle & muscle relaxing injections that can tackle a combination of small or large areas. This includes 'baby tox' and 'mens tox' to help you look refreshed

Common small areas include: forehead, frown lines, '11' lines, brow lift, crow's feet, chin dimpling, gummy smile, bunny lines, downturned mouth and others

| | |
|---|---|
| One area | £275 |
| Two areas | £335 |
| Three areas | £395 |
| Extra small area | +£100 |

Large areas, each treated as a single treatment

| | |
|---|---|
| Jaw slimming | £475 |
| Neck bands | £450 |
| Sweating | £475 |
| Trapezius | £525 |

# reharmonise & restore

Hyaluronic acid facial fillers specifically chosen to replenish or build volume and create facial symmetry where required

| | |
|---|---|
| Rhinoplasty 'nose job' (non-surgical) | £625 |
| Tear trough (under eyes) | £550 |
| Cheek & mid face restoration | from £475 |
| Temple restoration | from £475 |
| Lip enhancement | from £450 |
| Chin enhancement | from £450 |
| Marionette & nasolabial folds | from £450 |
| Earlobe rejuvenation | £395 |
| Filler dissolving (hyaluronidase) | from £295 |
| Profile balancing & jawline | POA |

## treatment plans:

Where a course of treatments is clinically recommended and agreed in advance, a 15% saving applies across the full course, with the saving deducted from the final treatment.

## revitalise & regenerate:

Advanced treatments that stimulate, hydrate and regenerate the skin from within.

| | | |
|---|---|---|
| Purasomes with medical microneedling | per treatment | £475 |
| Profhilo face/neck | per treatment | £425 |
| Polynucleotides face/undereyes (Plinest) | per treatment | £445 |
| Celora Vita | per treatment | £325 |
| BabyGLOW | per treatment | £425 |
| Bespoke eye rejuvenation | following assessment | from £445 |
| Munroe Method skin | bespoke programme | POA |

Bespoke eye rejuvenation may include polynucleotides, tear trough filler or a combination, chosen after assessment

## restore & remodel

Collagen biostimulation that works from within to gradually restore firmness, support and structure

| | | |
|---|---|---|
| Sculptra | per vial | £625 |
| Juläine | per vial | £1,195 |

## recover & regrow

Hair treatments that work from within the scalp - evidence based

| | | |
|---|---|---|
| Purasomes HSC50+ with microneedling | per treatment | £495 |
| Plinest hair restoration | per treatment | £425 |
| Munroe Method hair | bespoke programme | POA |

Final treatment choice and pricing are confirmed following a full clinical consultation
