How funding works

Built to fit the VAC ETB short-course cap

Support available for the VAC application

VAC approval required before the cohort begins

Use this page and the course outline in your VAC submission.

How to Apply

VAC must approve funding before the course starts.

STAGE ONE

Establish Overall ETB Eligibility

- Submit form VAC 1537 – Application for Education and Training Benefit through My VAC.
- Register for Rally Point cohort
- Rally Point will send you confirmation of enrollment
- Once VAC approves, continue to stage two.

STAGE TWO

Apply for a Specific Short Course

- Submit form VAC 1549 (Education and Training Benefit – Short Course) together with the proof of enrolment
- Submit via My VAC Account.
- Once approved, VAC pays you (the Veteran) the exact course cost. You then pay the provider yourself.
