Parent Letter: Pivot to Remote Learning

Dear P.S. 41 Families,

As we enter the winter months, we want to ensure that our entire school community is fully prepared in the event that New York City Public Schools announces a **Pivot to Remote Learning Day**. This may occur due to severe weather or a building-related emergency. Our goal is to maintain a smooth instructional day, keep students safe, and ensure learning continues without interruption.

How You Will Be Notified

In the event of a systemwide pivot, NYCPS will notify families by **email, text message, and social media**. P.S. 41 will also send additional reminders through ClassDojo and email.

Please follow us on all of our media platforms to stay informed.

Please ensure your contact information is updated in your NYCSA account so that you receive all alerts promptly. Please use this link to update your contact information.

Student Devices & Login Readiness

To ensure access to Google Classroom and remote instruction, **every student must have a working device at home**. NYCPS requires that all students have devices assigned in DeviceHub and taken home if needed for remote learning.

Please check the following before any potential remote day:

- Your child has their **DOE-issued device** at home.
- The device is fully charged.

- Your child knows their **DOE username and password**.
- Your child can successfully log into **TeachHub**, **Google Classroom**, and **Zoom or GoogleMeet**.

If your child needs assistance with device access, passwords, or logins:

- Contact your child's teacher via class dojo or google classroom
- If unsuccessful use the **TECH Link** below:

What to Expect on a Remote Day

If a pivot is announced, students will follow a **modified schedule** to allow staggered logins and ensure that city systems remain stable during morning sign-on.

Your child's teacher will post the **day's schedule, Google Meet link, and assignments** in Google Classroom by the start of the school day.

Please make sure your child logs in at their assigned time.
