

# Credentialing & Recredentialing

PharmPix requires each pharmacy to meet the participation requirements, including but not limited to licensure, insurance and provider agreement requirements.

Credentialing and re-credentialing initiatives are critical to ensure that participating pharmacies abide by the criteria established by PharmPix, as well as state and federal laws and regulations.

All pharmacies must be approved by the Credentialing Committee before becoming part of the PharmPix Provider Network, and must be recredentialed every two years to maintain active status in the network.

If you wish to renew or update your pharmacy credentials, please complete the Pharmacy Credentialing Form and send the complete document with the required attachments to [retailnetwork@pharmpix.com](mailto:retailnetwork@pharmpix.com), [credentiales@pharmpix.com](mailto:credentiales@pharmpix.com) or by fax to 1-866-912-2810.

If you have any questions or wish to have more information regarding this document, you can call us at **787-522-5252** (EXT 219). Our pharmacists will help you.
