VERRUPEN

The complete wart solution

1

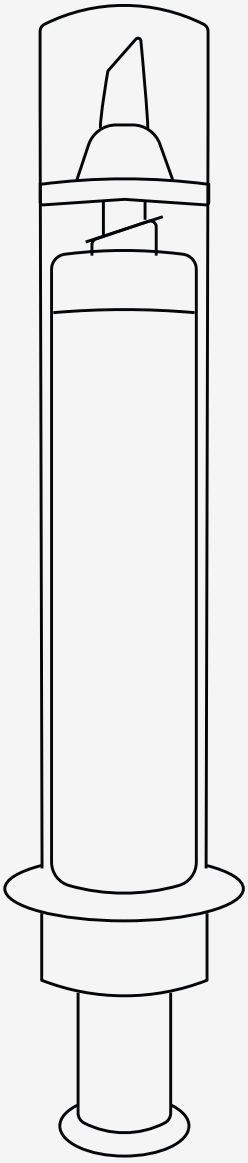

Soft silicone tip for easy application to warts without over applying or wasting product.

2

Enclosed, airtight chamber reduces air exposure to keep ingredients stable and away from cross contamination.

3

Lockable dispenser to avoid accidental exposure to family and pets.

5-FLUOROURACIL	5%
SALICYLIC ACID	20%
CIMETIDINE	5%

"In a survey asking Dermatologists who have prescribed VerruPen once, 90.9% have recommended it to a colleague."
