

■ Three Generations of Manufacturer's Reps

Our Line Card

Based in: San Diego & San Francisco

[19 Manufacturer Lines](#)

01 Clark-Reliance Filtration

Coalescing filter separators, vane & centrifugal separators

02 Anderson Separators

Skid-mounted gas conditioning packages, vacuum dehydrators

03 Energy Link International

Custom noise abatement, buildings, CTG filter house, stack silencers, exhaust plenums, new & retrofit catalyst systems, NOx, CO, AIG

04 Evapco Dry Cooling

Air cooled condensers, aftermarket service, gearbox replacement & refurbishment, spare parts

05 EvapTech, Inc.

Design, manufacture and construction of field erected cooling towers, cooling tower parts & reconstruction

06 Envitech Inc.

Wet scrubbers, venturi scrubbers, quench towers, WESPs

07 Fluid Cooling Systems, LLC

Modular heating & cooling systems, pump skids

08 Kelvion Rainey (GEA Rainey)

Air cooled heat exchangers, gas to gas, preheaters, economizers, welded bloc, plate type, plate & frame heat exchangers

09 Hason-Steel

FCCU cyclones & components, alloy & clad pressure vessels

10 Heurtey Petro-Chem

Design & manufacture of fired heaters, heater revamps, process studies

11 Hughes-Anderson Heat Exchangers

Shell & tube process heat exchangers, catalyst coolers

12 Maarky Thermal Systems

Surface condensers, molten salt heat exchangers

13 Rentech Boiler Systems

Steam drums, superheaters, economizers, specially designed waste heat recovery systems, engineering studies, gas & oil fired boilers, firetube and watertube waste heat boilers

14 SGL Group

Graphite heat exchangers, graphite & metal lined pumps

15 Pittsburgh Chemical Solutions

Thermophase nanocoating for improved heat transfer in heat exchangers

16 Taylor-Wharton / TOMCO2

Cryogenic tanks, vacuum jacketed & insulated piping systems, piping system engineering, turnkey installation

17 Triveni Steam Turbines

Steam turbine generators, steam turbine drives, steam turbine parts

18 Turbine Air Systems

Water and air cooled combustion turbine inlet air chillers

19 Zeeco

Process burners, flares, thermal oxidizers, vapor recovery, flame scanners, SRU, duct burners & retrofits, power boiler burners, replacement parts and burner parts regardless of OEM
