Dear Nominating Committee,

The Board of Directors of the Master Builders Association of King and Snohomish Counties (MBAKS) is pleased to endorse Luellen Smith for the position of NAHB National Associate Chair.

Luellen has demonstrated a strong commitment to the building industry and to NAHB at the local, state, and national levels. Her years of business experience and volunteer leadership have given her a broad perspective and a strong understanding of our industry.

Through her involvement with MBAKS, BIAW, and NAHB, Luellen has consistently shown her ability to build relationships, engage members, and work effectively with volunteers and staff. Her extensive NAHB service has provided her with a strong understanding of the organization and the important role associates play in our industry.

We are confident Luellen will bring her experience, energy, and collaborative leadership to the position of National Associate Chair. MBAKS is proud to endorse her and looks forward to her continued service to NAHB and its members.

Sincerely,

Jerry Hall
Executive Director
On behalf of Master Builders Association of King and Snohomish Counties Board of Directors
