celeriti

SOLUTIONS

TEMPLATES AND ACCELERATORS

Accelerate SAP transformations. With AI built in.

Proven SAP templates and accelerators with AI designed in. Less custom build, faster delivery, and AI working in real processes from day one.

Pre-configured
processes, roles, workflows, reports

Reusable
assets that cut custom build

Clean core
ready for SAP Cloud ERP

Embedded AI
finance, HR, spend and assets

FEATURED SOLUTION

Virtual City Hall

A pre-configured SAP Cloud ERP for municipalities, ready for AI.

Near-turnkey SAP for North American local and regional government, deployed at leading municipalities, mainly in Canada. A clean-core start with AI for staff, agents for finance, procurement and HR, and dashboards for council and public reporting.

SAP Cloud ERP · SAP SuccessFactors · SAP Analytics Cloud

PRE-CONFIGURED FOR

- Financial accounting
- Funds management
- Performance budgeting
- Capital projects
- Procurement & payments
- Revenue & receivables
- HR, labour relations, EHS
- Asset management

Plus council, internal and public reporting out of the box.

ACCELERATORS

Four solutions. Each with AI where it counts.

Financial management

Faster close. Sharper forecasts.

- Public sector finance on SAP S/4HANA
- Funds, grants and performance budgeting
- Capital, operating and workforce planning

AI Agents for close, reconciliation, collections and cash.

HR information system

AI-assisted, hire to retire.

- End-to-end HR on SAP SuccessFactors
- Payroll for complex union pay rules
- Labour relations, grievances and EHS

AI Instant employee answers; help for HR on goals and learning.

Intelligent procurement

Smarter spend. Stronger suppliers.

- Acquisition Planning Tool
- Vendor Self-Service Portal, bid to pay
- SAP Ariba, Business Network, Fieldglass

AI Guides buyers to compliant options and flags exceptions.

Intelligent asset management

From reactive repair to prediction.

- Predictive maintenance with SAP APM
- IoT monitoring and field service
- Fleet and capital renewal planning

AI Flags failures early and drafts work orders.

Start from a proven foundation, not a blank page.
