Davimar

Connecting Global Food Brands with the Venezuelan Market

Years of experience
in the Venezuelan market

Three generations building relationships, creating opportunities and driving growth.

Distribution in the Capital Region

Connecting leading food brands with one of Venezuela’s main consumption hubs.

36%

Of National Consumption

The Capital Region concentrates more than a third of the country’s consumption.

Strategic Coverage

Caracas, Altos Mirandinos, La Guaira and Colonia Tovar: a key region that drives opportunities and growth.

A Strong Supplier Network
Leading Brands for the Venezuelan Market

We work with a solid portfolio of national, international and imported suppliers, offering trusted food, beverage and consumer brands to our customers.

30 National Suppliers

A wide portfolio of local brands that support Venezuela's food industry and consumers.

7 International Suppliers

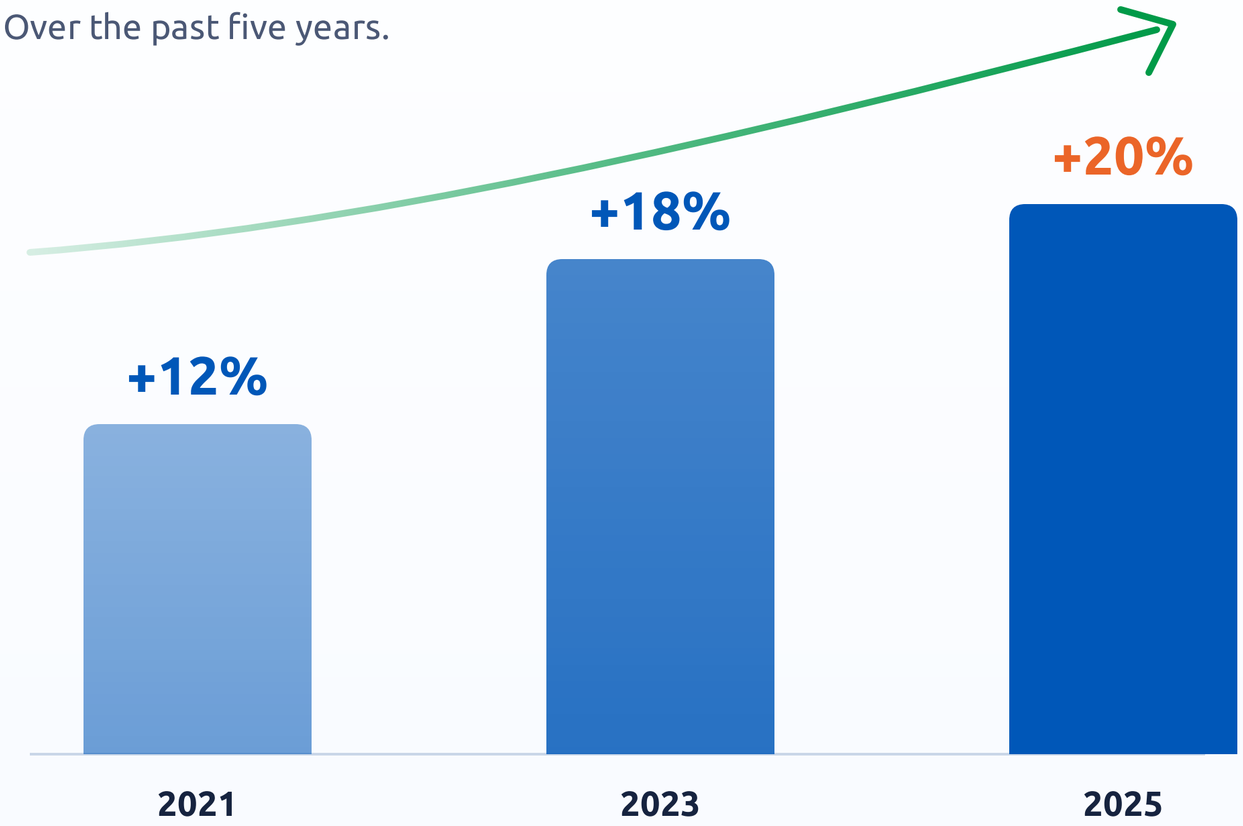

Global partners that bring well-known brands and high-quality products to our portfolio.

3 Davimar Imports

Exclusive imported products, managed directly by Davimar, to complement our portfolio and meet market demand.

Double-Digit Growth
Year After Year

Over the past five years.

Sustained Growth

Every year since 2021 has closed above 10%.

Stronger Market Presence

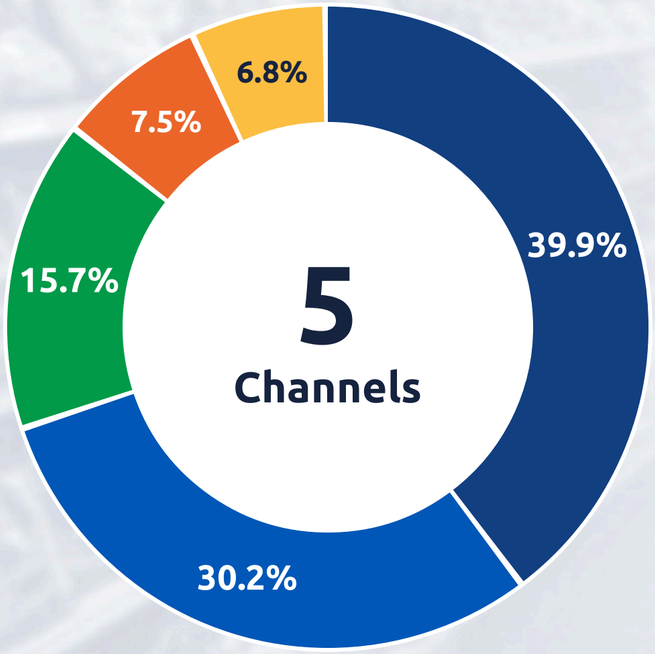

Expanding our reach and customer base.

Long-Term Partnerships

Growing together with our suppliers and clients.
