WHEN TO USE

When feelings get big.

- 5** things you can see.
- 4** things you can feel.
- 3** things you can hear.
- 2** things you can smell.
- 1** thing you can taste.

Then one slow breath in, and out.

You are here, in this moment.

Brain break

WHEN TO USE

When your focus is fading.

- 1 Right hand to left knee, then left hand to right knee. Keep going for four more.
- 2 Reach up high, then touch your toes. Three more times.
- 3 Hands on hips, twist side to side. Four more twists.
- 4 Jumping jacks: out and in, then four more.
- 5 Stand tall. Breathe in through your nose, out through your mouth. One more time.

Brain refreshed.
