

IDENTITY THEFT PROTECTION

PROTECT YOUR PERSONAL INFORMATION AND FINANCES

Your identity is valuable, regardless of what you own or how much money you make. The Norton LifeLock program helps protect your finances by monitoring your personal information for possible identity theft and financial fraud. Sukup provides the Premier Plan to you at a discount. Plan features include:

Identity Alerts with Credit Monitoring alerts you if Norton finds any potentially fraudulent or suspicious activity surrounding your personal info including new account opening, credit card usage, and data breaches.

Parental Control makes it easy to monitor your child's online activities and view their search history so they stay safer online.

Device Security protects your mobile devices, tablets, and computers from hackers, viruses, malware, vulnerable websites, and other online threats.

Million Dollar Protection™ Package††† reimburses stolen funds, personal expenses, and provides coverage for lawyers and experts up to \$1 million each.

Norton™ Secure VPN is a Virtual Private Network (VPN) that helps protect your sensitive information, browsing history, online activities, and webcam.

Dark Web Monitoring patrols the Dark Web and notifies you if your information, such as your username, password, IP address, or gamer tag are found.
