

EMPLOYEE ASSISTANCE PROGRAM

CONNECTIONS

We understand that we all face serious problems at some time in our lives. Sukup Manufacturing is committed to providing help during those times.

The EAP is designed to assist staff members and families with personal challenges in many different areas including: depression, stress management, drug and alcohol abuse, relationships, grief, domestic violence, legal and financial issues, parenting, and childcare and elder care.

Participation in the EAP is voluntary, confidential, and free of cost for the **first 6 visits**. For those who require referrals for long-term treatment, there may be fees for the services of outside providers. However, EAP counselors will coordinate referrals, whenever possible, to take advantage of existing insurance coverage and community resources in order to minimize costs.

We encourage you and your eligible family members to take advantage of our EAP benefit and to reach out to Connections.

24 HOURS A DAY, 7 DAYS A WEEK

Professional counselors are available to provide you with support, guidance and resources. Spanish and TTY/TDD phone lines also available.
