

TELEHEALTH

TELADOC

With telehealth, you can schedule a virtual appointment with board-certified doctors and pediatricians who can diagnose, treat, and prescribe most medications for minor medical conditions. Members can also access behavioral health services through Teladoc.

- Acne

- Other conditions such as behavioral health

- See a board-certified, licensed, telehealth trained doctor on your schedule with on-demand virtual visits 24/7, including holidays.
- Behavioral health sessions with a licensed therapist are available between 7 a.m. - 9 p.m. Appointment request accepted within 48 hours.
- Get treated for more than 80 common conditions including colds, flu, allergies, and more.
- Get a prescription or short-term refill of any existing prescription sent to a pharmacy nearby, in less time than your usual doctor visit.
- Avoid costly copays and deductibles of the ER and urgent care clinic.
- Available for you and your enrolled family members for just a \$5 copay.
