WALLEYE, NORTHERN PIKE & LAKE TROUT

Bob Mangaudis · 31-inch walleye

Steve Wilhelm · 46-inch pike

Scott Peterson · Trophy lake trout

Walleye

The most abundant fish in the lakes, and they run big. Most guests' biggest walleye of the week is 24–26 inches, and 27–34 inch trophies show up every season.

Northern Pike

30–38 inch pike are common, and several 42 inches or longer are landed every season.

Lake Trout

Cold, clear water to 240 feet, full of cisco. The biggest lake trout registered in Ontario's Trophy Waters came from Sydney Lake, including fish of 41 and 40.5 inches.

YOUR CABIN, YOUR SCHEDULE

More service and comfort than an outpost, more freedom than a lodge.

Your group gets its own private cabin with a full kitchen, hot shower, screened porch, A/C and daily housekeeping (we'll even do your dishes). Your 16 ft Lund and 25 hp Yamaha are gassed and cleaned every morning. Fish when you want, eat when you want, and end the day in the sauna or by the fire table.
