SUPPORT SHAPED AROUND YOUR REQUIREMENT

ONE TEAM. MULTIPLE CAPABILITIES.

Norvic brings together specialist security, planning and personnel. Start with your setting, the people involved and the support you need.

DETECTION DOG TEAMS

Explosive and drug detection capabilities, with the dog-and-handler team and search requirement agreed for the operation.

PEOPLE AND ASSET PROTECTION

Security personnel, asset protection, residential patrols, surveillance and close protection tailored to the assignment.

RISK MANAGEMENT AND OBSERVATION

Risk assessments, operational planning, behaviour detection and consultancy for events, sites and organisations.

AERIAL INTELLIGENCE

Drone and aerial support for reconnaissance and monitoring, with scope and operational arrangements confirmed.

MEDICAL SUPPORT

Discuss FREC 3 and FREC 4 personnel for events, sites and operations. Staffing and response arrangements are agreed around your requirements.

YOUR ENVIRONMENT. YOUR BRIEF.

Events and venues / Businesses and sites / Homes and private clients

NORVIC TRAINING ACADEMY

DEVELOP SKILLS. BUILD CONFIDENCE.

Practical learning for individuals, security professionals and organisational teams. Course suitability, qualification route, venue and final fee are confirmed before booking.

FIRST AID AND EMERGENCY CARE

Workplace first aid, emergency first aid, refresher training and FREC 3 / FREC 4 pathways.

SECURITY AND PROTECTION

Close protection, behaviour detection and Level 2 / Level 3 conflict management enquiries.

SAFER ORGANISATIONS

Martyn's Law awareness and practical preparedness, plus tailored group-training enquiries.

QNUK CENTRE REGISTRATION

Norvic Security Group is registered with Qualifications Network, centre number 16192. Qualification availability and the delivery route are confirmed for the course you choose.

ARMED FORCES COVENANT

Norvic has published commitments supporting the Armed Forces community. Read the pledge on GOV.UK.

FEATURED ASSIGNMENT

RUN NORWICH. PLANNING INTO PRACTICE.

Norvic attended counterterrorism planning meetings and contributed to discussions about the risk management plan, before putting the agreed support into action at the city-centre 10K.
