

Finish & Colours

Finish & Colour Guide

01 STANDARD COLOURS

Three standard colours.

Every Entrada canopy is powder coated in Dulux Duratec, an architectural-grade powder coat for exterior aluminium. Choose from three standard colours at no extra cost.

Matt Black

Dulux Duratec Matt Black

Finish	Matt
Coating	Powder coat
Cost	Included

Appliance White

Dulux Duratec Appliance White

Finish	Matt
Coating	Powder coat
Cost	Included

Grey Friars

Dulux Duratec Grey Friars

Finish	Matt
Coating	Powder coat
Cost	Included

Colours shown are indicative only. Screen and print reproduction varies, so ask for a physical sample before confirming your colour.

02 ORDERING

Specifying your colour

Quote the full colour name when ordering or specifying, for example **Dulux Duratec Grey Friars, Matt**.

03 CUSTOM COLOURS

Need a different colour?

Custom colours are available at extra cost. Contact us with the colour you need for pricing and lead time.

Custom colour

Choose any colour from the Dulux powder coat range. Pricing and lead time are confirmed at quote.

Cost	Extra cost, on application
Lead time	Confirmed at quote

04 CARE

Looking after the finish

A powder coat finish needs regular washing to keep its colour and gloss. Clean with mild detergent and fresh water, and never use solvents, abrasives or a water blaster. Full cleaning schedules are in the Entrada Care & Maintenance Manual (ENT-CM).
