JEWELS ON THE PALM JUMEIRAH

With the inauguration of One at Palm Jumeirah, Dorchester Collection, Dubai, OMNIYAT brought a new icon to the Dubai skyline.

When this was joined by AVA at Palm Jumeirah, Dorchester Collection, Dubai, the impact of these two developments was immense, which firmly established them as the most distinctive and desirable residential properties on Palm Jumeirah.

This reputation was further magnified with the addition of ORLA and ORLA Infinity, Dorchester Collection, Dubai. These two visionary developments, again providing unprecedented levels of service from Dorchester Collection, confirmed OMNIYAT as the ultimate arbiter of architectural excellence, affording privileged access to the waterfront of Palm Jumeirah.

The next chapter of this story is now commencing. OMNIYAT, again in concert with Dorchester Collection and other globally renowned partners, will redefine both the concept and expectations of well-living.

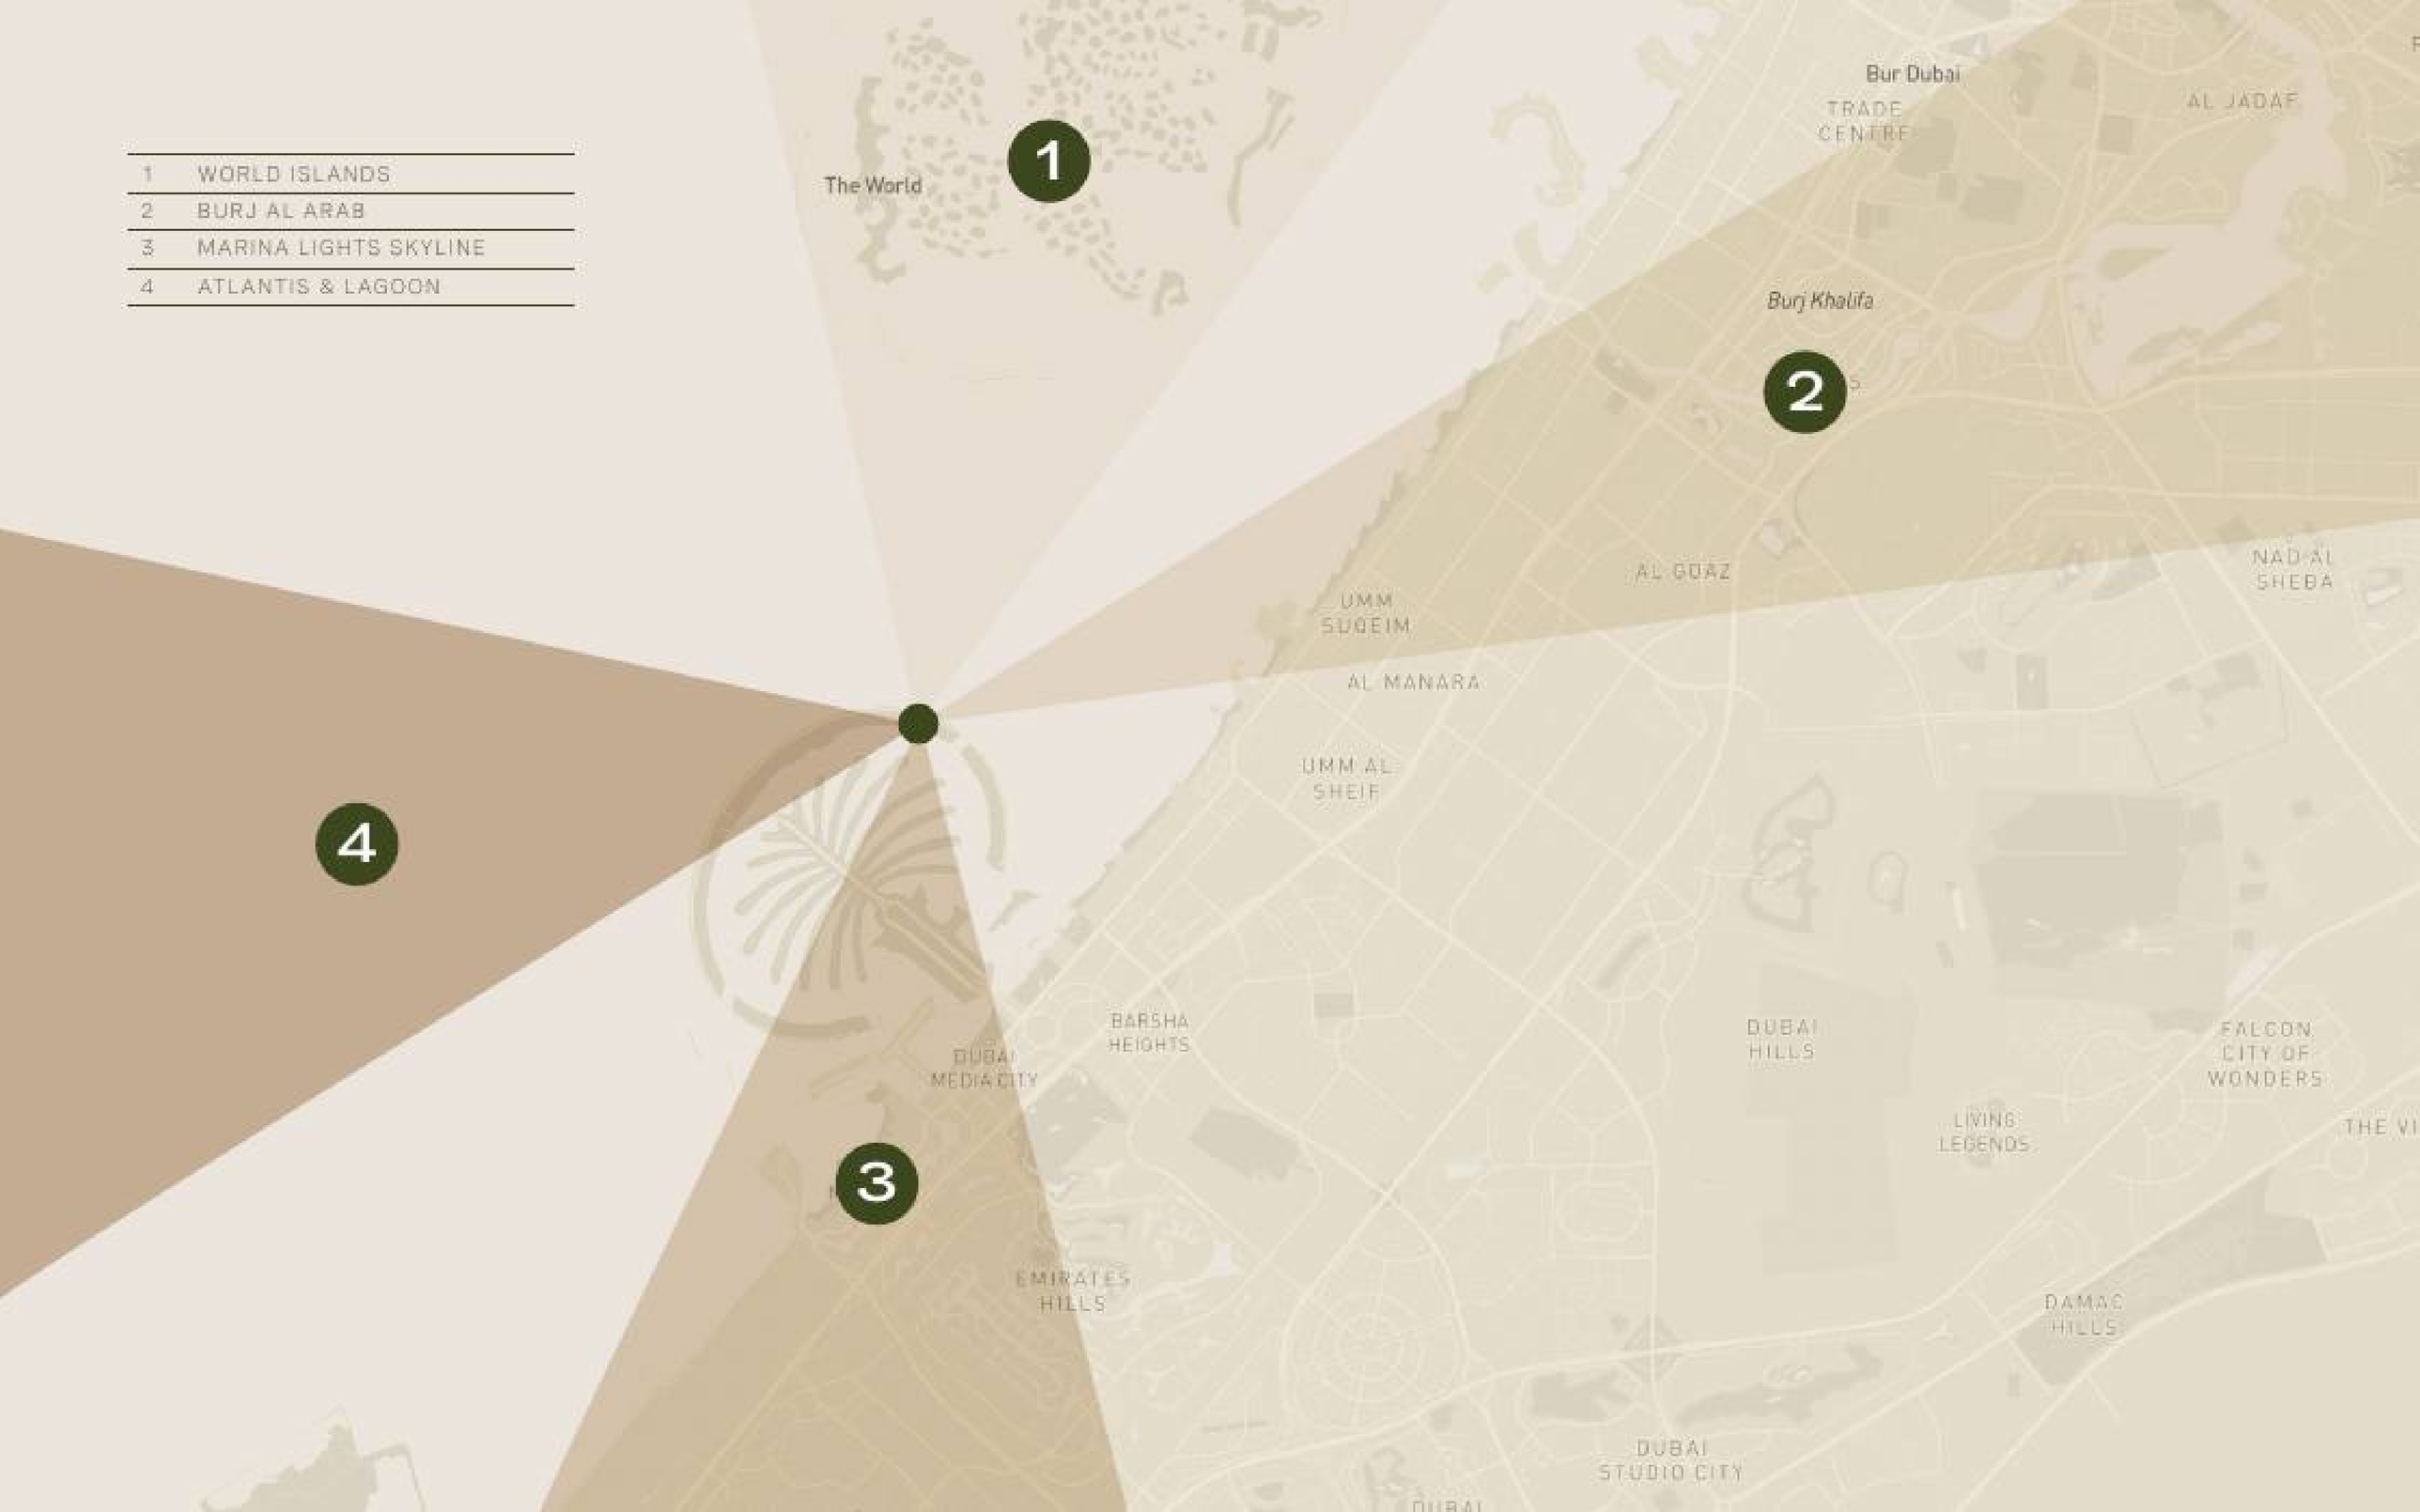

The Alba is a definitive mixed-use masterpiece designed by Zaha Hadid Architects, managed by Dorchester Collection and pioneered by OMNIYAT.
