

Services and investment

Three ways to engage.
Three levels of involvement.

With Jarell Bempong

When trust is low, a change stalls or a team needs space to think, start with the challenge. Explore speaking, workshops, leadership and team development, organisational change, human-centred AI adoption, retreats and multi-session programmes.

No paid diagnostic is required.

Speaking and development

01 Speaking & Expert Contributions

Essential
£1,750

One scoped 45–60-minute keynote or briefing, or agreed panel contribution. Preparation call and agreed Q&A.

Signature
£3,000

One tailored contribution, stakeholder discovery, extended dialogue and one agreed follow-up resource.

Strategic Partnership
From £6,000

Two speaking or facilitated contributions, sponsor discovery, follow-up leadership conversation and reserved dates. Final scope agreed in writing.

02 Workshops, Leadership & Team Development

Essential £3,000: preparation, half-day workshop and core materials.
Signature £5,000: stakeholder discovery, tailored full-day delivery, materials and follow-up review.
Strategic Partnership from £12,000: three half-day sessions, sponsor discovery, two checkpoints and close-out review.

Employer-funded coaching is separate: £450 per 60-minute session or £1,350 for three sessions. It is not automatically included in a programme.

Organisational change

03 Organisational Challenges & Change

Essential · Focused discovery
From £2,500

Sponsor discovery, up to two stakeholder conversations and a findings/next-step discussion.

Signature · Discovery and design
From £7,500

Up to six stakeholder conversations, pattern mapping, written recommendations and a decision workshop.

Strategic Partnership · Multi-stage engagement
From £18,000

Up to twelve stakeholder conversations, two facilitated workshops, three sponsor checkpoints and a close-out review. Broad implementation or technical deployment requires a separately agreed scope.

Six partnership commitments

Discretion & Stewardship · Strategic Depth · Continuity · Responsiveness · Intellectual Sophistication · Flexibility & Capacity.

Defined phases, confidentiality, agreed reviews and reserved capacity support a sustained relationship. Adjustments stay within the contracted scope. Responsible AI adoption, culture, inclusion and leadership challenges are scoped to your context.

Founder experience you can explore

Jarell Bempong’s previous work includes offsite facilitation for King, a Henley Business School retreat and coaching programme, and workshops or facilitated discussions involving Alstom and Budweiser Brewing Group. These are historical founder engagements, not claims of current Turncurrent commissions or endorsements.

“Jarell was incredibly insightful as well as bringing a huge amount of positive energy to the discussion.”

Stevie Heyes, fellow panellist · public Trustpilot review · 14 December 2024

Book an initial discovery conversation

Tell us the challenge, who is involved and your timing. If the fit is right, we agree deliverables, preparation, delivery, review points and fees in a written proposal.
