Hours

EPA Certified

0.69

g/hr

Features

TruHybrid™ System

A 3-tube secondary combustion system with a fixed baffle ensure a clean burn before the catalyst performs the finishing touches.

Convenient Firebox

The square shape of the Castleton creates an 19" wide by 17" deep firebox. It is perfect for loading and arranging firewood.

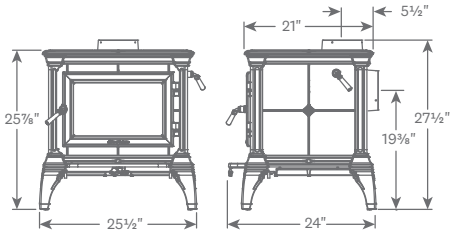

Easy to Use

Control the stove with one lever. Turn your stove to high and stoke a big fire. Turn it all the way down to keep a fire burning overnight.
